Dear Parents,

Springtime always brings thoughts of new life and growth, and daily we see signs of how your precious little ones are growing and changing! They are so much more verbal, confident, and active than they were in the fall! Their little friendships have developed in amazing ways and they interact with each other every minute of the day.

We will be talking about the many changes April brings, green grass, flowers and sunshine. We hope to start going outside if the weather is nice.

Remember to sign up for snack.

Thank you,

Ms. Barb & Ms. Carrie
