

Summit Lake Paiute Tribe Food Pantry

SLPT has partnered with Catholic Charities of Northern Nevada & The St. Vincent's Program. This partnership brings weekly food deliveries to the newly created SLPT Food Pantry. Some weeks food pantry items will be a large 65 lb. box other weeks will be smaller. Meats, vegetables, fruits, snacks and dairy products are some of the items. If you are in need of clothing or home furniture items, please coordinate with Austin New Moon, HPM. SLPT is very excited for this wonderful opportunity to serve our members. Please keep an eye out in the mail, on our website and on the Housing Facebook page for another flyer listing dates and times the pantry will be taking place.

If you have questions or concerns, please contact Austin New Moon, Housing Program Manager at (775) 827-9670 or austin.newmoon@summitlaketribe.org
