Highlights of Science day from the three branches.

COVID-19 AWARENESS

A number of selected students and teachers were assessed on their Covid19 Awareness knowledge at Bakti Dewa School Jerudong.

This assessment were facilitated by officers from Pakar Tenaga Bersatu International, an educational institution. From this assessment, the students and teachers have gained more in-depth information about Covid19 and hence, they could apply this added knowledge in the school setting as well as in the public setting.

FIRE SAFETY DRILLS AT BDS

Fire safety drills were conducted in all three branches of BDS earlier this October. These drills create awareness among the students about firefighting techniques and the ways to respond swiftly in times of emergency situations.
