

Fitz closes out the 2016 50/50 with another win. Rich hit with #16, which is his 12th career win. The win puts him in a 3-way tie for fourth place. Congrats to this year's winners, and the 50/50 will see you in April, 2017.

We've added another state to the list of 50/50 winners. Congrats to Joe Musella for winning in week 19 with #96. It is Joe's 2nd career win and first since 2010.

Congrats to Reese Evans as he cashes in for a week 18 win. Reese hit with #84, which is only his second career win.

Week 17 saw another addition to the multiple winner list. Congrats to Dom Tucci who hit again, this time with #75. It's Dom's fifth career win.

John Rutigliano cashes in for the 2nd time this season and with the same # - #59. This brings our multiple winner count to 5 for the season. This is John's tenth career win (since 1998 drawings) and places him in a 12th place tie all-time.

Ed Korleski joins the winner's circle for week 15, with #39. It is Ed's eleventh career win and places him in a 5-way tie for 6th place overall.

Week 14 see us get another two-time winner for the season. Congrats to Mansour Rismanchi for his 2nd win of the season with #97. This is Mansour's third career win.

It's now become the battle of who else will get their 1st career win in the 50/50. Congrats to David Ellis for getting his 1st win with #40 in week 13.

Jay Griffith gets his first career 50/50 win in week 12, with lucky #13

Dan Price starts the 2nd half of the 50/50 season right where he left off.... Winning. Dan goes back-to-back and belly-to-belly (thanks John Sterling) for his 8th win overall and places him in a tie for 14th place all-time. We now have 3 two-time winners on the season.

Dan Price finishes out the 1st half of the 50/50 drawing season with a win on #49. It is Dan's seventh career win, which places him in a seven-way tie for 17th place overall.

Larry Thiry contrnes his annual winning ways with #36 in week 9. This is Larry's fifteenth career win which puts him back in a two-way tie for first place overall. #36 is the new number that Larry purchased this year and this also marks the 5th consecutive year that Larry has won at least once in the 50/50 drawings.

DGA WINNERS HISTORY UPDATED RECORDS BACK TO 1998

Watch out... he's on a roll. Mark Schuler hits for the 2nd time this year and third of his DGA career. This time with #38.

Congrats to Frank Thiry, DGA for his week 7 win with #32. This is FT, DGA's eleventh career win, which places him in a 2nd place tie with Mike Jeffries, and only trailing big brother, LT by one win.

It took until week 6 this year, but we have our first multiple winner. Congrats to Bobby Keller on his 2nd win, this time with #56. This also marks the first time that Bobby has won multiple times in the same year.

John Rutigliano takes home the bacon in week 5, hitting on #59. It's John's 8th career win which moves him into a four-way tie for 10th place overall.

Congrats to Dom Tucci. He didn't need to buy one of the open 50/50 numbers in order to cash in for the year. He wins the week 4 drawing with #22. This is Dom's fourth career win, and like a hot hitter in baseball on a hitting streak, the win cotinues his streak of at least 1 win in each of the last 4 years.

Congrats to Mansour Rismanchi on his week 3 win with #55. This is Mansour's 2nd career win and both are with #55.

Congrats to Bobby Keller for his week 2 win with #60. This is Bobby's fourth overall win and first win in 10 years. He last won in week 7 of 2006, with #60.

Mark Schuler gets the 50/50 season off to a big win. Mark bought one of the open drawing numbers and hits with #23. This is Mark's 2nd win all time and in both cases, his win was the first for the number in DGA history 1998.
