

The Farm at Creekside HOA Yard of the Month winner for June 2020 belongs to Sonja Livesay, 2242 Eagleview Circle.

In the twenty-years Sonja has lived in the Farm at Creekside she's watched the trees grow tall. They are a sanctuary for many birds and squirrels now inhabiting her yard, her trees and our neighborhood. An occasional bunny comes to rest under the big blue spruce in Sonja's front yard. Sonja offers her thanks to those who help keep the lawn and trees healthy and thriving. Tru-Green Lawn Service fertilizes the lawn and protects it from disease. Todd's Mowing and Sprinkler Service performs weekly mowing and keeps the irrigation system in tip-top condition. Helping Hands Tree Service prunes and performs plant health care services for all of Sonja's trees on a recurring basis to make sure they remain attractive and healthy. Sonja says the Farm at Creekside is a very special place to live. Congratulations to Sonja Livesay, Yard of the Month selection for June 2020.
