

## Potatoe Race

Equipment: 1  
barrel, one 5  
gallon bucket,  
trashcan,  
potatoes, sand.

Barrel is set 50 paces from start with a bucket of sand on top.  
Potatoes are on top of sand. Trashcan is placed 10 ft. prior to timer.  
Rider rides to barrel takes a potato out of bucket carry the potato  
and toss it in the trash can. Right pattern only. No time for broken  
pattern or knocking down barrel or trashcan.
