www.LifeMattersUtah.com

Dear Clients and Colleagues:

On September 2, 2017, LifeMatters Counseling and Health Center will be moving from our current location to a new office space on the medical campus of the Pioneer Valley Hospital. Our new address is:

**3336 Pioneer Pkwy # 201
West Valley City, UT 84120**

As many of you know, we had a terrible flood earlier this summer due to a roofing problem. This forced us into a temporary office space. When we returned to the building, we discovered additional problems and were forced to make a difficult decision, which was to relocate our offices.

While we recognize that changes like this can be challenging, we are confident that this move will ensure the safety and stability that is critical for you and our practice.

Our new location is at the Pioneer Valley Medical Center – West Valley Campus in the Medical Arts Building. We will be co-locating with our medical partners in the Exodus Healthcare Network and their team of doctors/other healthcare professionals. This is a fantastic opportunity to further develop our collaborative care model, which integrates mental and physical health care.

We will have the same office, fax, and cell phone numbers, which should allow continued, interruption-free communication. Please contact us anytime with questions or concerns.

We look forward to seeing you the week of September 4, 2017, at our new offices!

Sincerely,

LifeMatters Staff
