

White Oak Lake Association Garage Sale, 2020

The Germantown Hills Area-Wide Garage Sale has not been announced as of yet due to the ongoing coronavirus epidemic.

Please watch the Germantown Hills Village website for future updates. WOLA residents are encouraged to participate in this sale and register your address with house number with the Village if you intend to sell items on one or more of those days.

WOLA no longer has its own Garage Sale. Rather, we are encouraging WOLA members to participate in the Germantown Hills Annual area-wide garage sale. The more that participate, the better the crowds will be for that date for all area residents each year.
