

Carlton Neighbourhood - Edmonton

Stats:

LOCATION:

Edmonton, AB

CLIENT:

Alpe Adria Development Corporation Ltd.
Carlton Estates Ltd.
April 8 Developments Inc.

PROJECT TIMELINE:

2011-2018

OUR ROLE:

Prime Consultant

PROJECT TYPE: Residential Subdivision

Carlton Stages 13, 14, 19, 21, 22, 23, 24, 139 Street

PROJECT DESCRIPTION:

The project involves preliminary design, detailed design, cost estimation and construction administration for the construction of eight stages of development in the Carlton Neighbourhood in north Edmonton. This area had three different land developers coordinating together with various portions of the neighbourhood. The neighbourhood is adjacent to sections of land with exiting acreage residents and rural roads that needed to be maintained. Construction of all stages will be complete in 2015 and post construction continues for the various stages.
