

## Waiting for Romeo

It's an ancient mystery.  
Man and woman, and  
How things cam to be.  
Things workout sometimes.

Standing on the edge of the continent.  
Sitting on top of the world.  
She's only a girl  
Waiting for Godot.  
She's only a girl  
Waiting for Romeo.

It's Romeo and Juliet.  
It's love or limerence.  
Living on the edge.  
Like dancing on a ledge.  
It's forever,  
It's everlasting,  
My darling.

Standing on the edge of the continent.  
Sitting on top of the world.  
She's only a girl  
Waiting for Godot.  
She's only a girl  
Waiting for Romeo.
