2 C's Freight Broker locates and dispatches any type of equipment or materials needed for your company's operation. Services include all construction material delivery, specialized transport, oversized and overweight heavy equipment and machinery, cross country shipping, hazardous materials, time sensitive and all weather delivery.

2 C's Freight Broker is a licensed and bonded brokerage company, specializing in the coordination of all types of transportation freight services. Owner and Manager, Laura Mason-Young, has extensive experience in all forms of freight transportation from standard size 80K lb loads

"Competitive solutions for today's transportation challenges"

Our Promise:

To provide our customers, carriers, and suppliers with the best service and professionalism possible. Integrity and our combined transportation experience enable us to offer the highest levels of service in the shipping industry. 2 C's Freight Broker L.L.C. always strives to offer our customers a reliable service with competitive pricing, a safe environment and increased profits by offering money saving options and meeting or exceeding the expected delivery schedule.

to oversized and overweight specialized heavy machinery. As a driver in the field herself, acting trucking & load coordinator, along with organizing and dispatching multiple trucks for over 20 years Laura has gained the respect and trust of many owners, operators and customers. We offer our customers a valuable resource for their freight transporting needs.
