Support WEF's Annual Appeal

The quality of our public schools is one of the top 3 reasons why new residents purchase a home in the Wiseburn community. It's also why students from neighboring school districts apply for an inter-district transfer. Wiseburn Unified School District strives for excellence for all students. With top notch teachers, dedicated administrators, and active parent involvement, students show strong academic performance

and engage in innovative learning opportunities. Help maintain this tradition of excellence by participating in WEF's efforts to raise funds for music, arts, STEM education, teacher grants and other valuable programs within WUSD. **In the 2017-2018 school year, WEF awarded over \$170,000 to Wiseburn schools.** This year we want to achieve even more.
