Discussion with the Division of Water Rights regarding the proposal by the USGS to install a gauge on the Pack Creek Bridge in Pack Creek the 2019 USGS report key finding valley fill aquifer has a much bigger recharge from Pack Creek than previously thought. USGS put in a temporary meter in 2020 on the bridge at Pack Creek, due to the recent fire, to monitor flooding. USGS is now proposing a more permanent meter to monitor and collect more data on Pack Creek. Grand County has agreed to pay for a portion of the long-term maintenance costs, with San Juan County, the State of Utah, and possibly Moab City.

After much discussion, this item will be added to the next meeting agenda to be voted on.

Vice President Wilson declared the meeting adjourned. Hearing no objections; the meeting adjourned at 1:54 p.m.
