

Junior Forestry Technician/Analyst Trainee
Thessalon First Nation
JOB POSTING

Purpose:

To build capacity for Thessalon First Nation and provide an interested First Nation Band Member with experience, which may lead to future education/training and/or employment in the Forest Industry/Lands Management.

Scope:

This position will support and assist the Senior Registered Professional Forester (RPF) in monitoring salvage operations without having to sacrifice quality due to budget limitations, identifying and monitoring any invasive species or diseases affecting the forest and ecosystem, determining where, if any, sensitive area exist and what the best mitigation efforts are to implement, and analyzing newly collected data from TFN and identifying/interpreting any potential, or ongoing concerns, sensitivities, and new developments, etc.

Please keep in mind that this position will be supported by the Senior Registered Professional Forester (RPF) and the Geographic Information System Specialist (GIS).

This position will work within the Lands Department of TFN.

Qualifications:

- Minimum Grade 12.
- Some computer skills are required.
- Oral and written communication skills are important in this position.
- Valid Ontario Driver's license and access to a reliable vehicle.
- Some experience working in the Forest Industry considered an asset.
- Ability to work outdoors, pending weather conditions.
- Time management skills.
- Willing to work as a team member.
- Ability to take instructions
- Knowledge/education of Natural Resource Industries is considered an asset but not required.

Please submit resumes and cover letters no later than November 18, 2022 @ noon, to the attention of:
