

Mail-A-Thon Fundraiser

The Mail-A-Thon fundraiser is for you to ask for donations from family, friends, co-workers, neighbors etc. to help offset each individual players' fall Fair-Share Donation.

Attached is a sheet with Mail-A-Thon Donation cards; please print more if you need extras. You will also want to print copies of the letter from Coach Richard Camerlengo (to enclose one with each request). Please send these out this week.

I would like to have collected all the Fair-Share donations by **Friday, August 30, 2019.**

All donations are tax deductible. The tax ID number is on the blue card and the letter.

Directions for Mail-A-Thon Fundraiser

1. Please write the player's name on the bottom line of the Mail-A-Thon Donation cards.
2. Address a **larger envelope** to family members, friends, neighbors, or co-workers from whom you are requesting a donation (we suggest sending these to people you know and not to retail places unless you have personally talked to someone about donating).
3. Enclose a copy of the **letter** from Coach Richard Camerlengo, along with a **Mail-A-Thon Donation card** and a **small envelope addressed to: VPHS Girls Volleyball PO Box 17806, Anaheim CA 92817** (folded in half) into the larger envelope.
4. There will be a downloadable pdf on the VPHS Girls Volleyball website of the **letter** and **donation cards** that you can email to family and friends and have them print and mail along with their payment and completed donation card to the address below.
5. The friend/family member will send back the Mail-A-Thon Donation card along with cash or check in the small envelope. The small envelopes should be addressed to the address listed below.
6. I will update all athletes who received donations via email as soon as I have received them.

If you have any questions, please email or call me.
