

HOME LEARNING

Hello Year 6,

We are missing you all but I hope you and your family are all well. Remember to balance your day with lots of fun time, art/craft, exercise, and relaxation too! Try hard but just do what you can manage and don't worry if you can't complete everything. It is just a guide for you and your adults at home, so go at your own pace. We look forward to receiving some messages here are our school email addresses:

English

Reading

- Bugclub – read the texts and answer the questions online.

Writing Challenge

Think about your favourite book or one you have read recently. Your task this week is to write a review. Firstly, start off by summarising the plot of the story then include what you enjoyed and what you think could make it better. Also you can include information about whether or not it was what you were expecting and why? Finally, would you recommend the book and why?

If you cannot think of a book to use, why not base it on our class text 'Once' or even a movie?

Spellings

- Try some of these spelling activities.

Complete daily BBC lesson for English

- <https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-lessons/1>

Science

Have a look at http://www.kidsciencechallenge.com/year-four/teachers_activities.php choose one topic to complete. Will you choose 'Meals on Mars' 'Zero Waste' or one of the other interesting challenges?

Observe
and ask a question.

History

Continue your project on 'The Mayan Civilisation'
Using evidence from online research, reading, photos etc. from the time, answer the following question: Can you summarise the main events from the Mayan Civilisation, explaining the order in which key events happened?

This could be a series of pictures and labels, ICT presentation or a written historical report.

Get Active

As you are able to be out more, why not challenge yourself to a different fitness goal each day? Ride a bike, go for a walk, have a run, kick a ball...what else could you do?! Can you do a different activity each day? Can you beat your time/distance the next time you try that activity? Have fun keeping fit.

Computing

Follow the steps and brush up on some coding terminology as well as making a cake!

<https://www.bt.com/codeacake>

Spanish

Listen to some Spanish music using the link:

<https://www.youtube.com/watch?v=4G8v7Kl2qI4>

What do you like/dislike? Can you draw a picture in response to or whilst listening to the music? What does it make you think of/ how does it make you feel?
