## P O K E R   R U N S

## PERSISTENCE, DEDICATION, CONSISTENCY, HEART IS THE STORM ATTITUDE

From time to time, we face smaller or bigger obstacles in our life. All people need to deal with challenges and failures on their way, and their attitude towards those challenges plays the most important part. The person with positive attitude towards obstacles gradually becomes stronger and more successful. And in contrary, the person with negative attitude becomes more and more depressed, weak, and unhappy. The secret is our attitude towards obstacles – do you accept it like a lesson from life and try to learn something from it, or do you just blame everyone around and feel anger?

We decided to go into these STORMY challenges OPTIMISTIC, POSITIVE and DEDICATED. The challenges around DS2021 were greater than ever. Our Team was so dedicated and consistent in persevering and overcoming the 2021 challenges! We worked hard, we continued to fight, push, and work every avenue we could. We never gave up, we never crumbled, we never caved. We questioned several times why we were fighting so hard, because at times it seemed IMPOSSIBLE. But here we are. We DID IT!!!!

We are going to have the MOST EPIC 2021 EVENT ever!!! The Excitement through the Performance boating world drastically changed the night of March 25<sup>th</sup>, 2021. When I announced the GREAT news of PERMIT APPROVAL, from the City of Lake Havasu, AZ, for the DESERT STORM STREET PARTY. In that same live feed, I shared the dramatic change for EVENTS in the state of ARIZONA. We were full Green light GO!!!! What a relief. Our team was so excited and I finally got my first good night of sleep-in months.

Then the next morning it was back to STORM BUSINESS! The rest just seemed to fall in place. Since that night, our flood gates opened. Sponsors, Participants and Vendors were STOKED! Everyone wanted to be involved. True FOMO kicked in. Nobody wants to sit on the sideline and watch, everyone wants to be involved. Especially when it comes to the LARGEST PERFORMANCE BOATING EVENT ON THE WEST COAST- DESERT STORM.

Back to work for the STORM Team! We finally were able to get all our ducks in a row so to speak. We began finalizing the event, we BLASTED social media, we sent out press releases to all media outlets and more. The BUZZ really started to grow around DESERT STORM. All the speculation and the negativity seemed to disappear. Just like after a Storm that smell of FRESH CRISP AIR. We were beginning on a FRESH START. It meant overtime for my team and I but, it was worth it the challenges and obstacles we overcame.

That brings me to our team! We have over 100 volunteers at the event, but I would like to recognize just a few people that have really assisted us along the way. Robb and Ashley are truly AMAZING best friends, they 100% VOLUNTEER their time to assist Jimmy and I in something we are passionate about. Ashley and Robb are parents of three fun, loving, wild kids, who are involved in so many extra circular activities, and Somehow this amazing couple still finds time to dedicate to Jimmy, myself and Desert Storm. Ashley wrangles all the volunteers, organizes K4K, and keeps me straight. Robb is our social media GURU, jack of all trades, and MOST IMPORANTLY the CREATOR of the AMAZING JAM-PACKED DESERT STORM APP. (Available in both Android and Apple Markets). Next is our family, most of our core volunteers are Family or close friends that we call family. My Dad- Cliff, Brother-Nick, Sister-in-Law Kristy, and Cousin-Jessie, our Niece- Ariel has been helping us countless hours prepping too. Jim Sr. has worked hard to update the Storm Computer System. Our friends that take vacation from their own lives and jobs to support us is hands down the most AMAZING feeling a girl could ask for! Our core volunteers come from all over the nation to put on this one-of-a-kind event for you all!

So please, as you see anyone on the Storm Team, Jimmy, Myself, Robb, or Ashley- Say Hello! Tell them how happy you are or are not to be apart of DESERT STORM. Without these amazing individuals, DESERT STORM is not possible. If you are a Sponsor, Participant, Vendor, Or Spectator know that we do all this full of heart for you! We appreciate your support and dedication to our event. Without each and everyone of you Desert Storm is not possible. So, from Jimmy, myself, and the entire Storm Team we are grateful you have chosen to be a part of DESERT STORM 2021.

From the Bottom of my heart- I am grateful, appreciative, and READY to KICK some BUTTTTTT! DESERT STORM 2021 will be one for the RECORD BOOKS!

XO~ Christina

### The SportChassis Promise

*SportChassis promises its customers, followers and owners a type of satisfaction with the product that cannot be matched by any other premier truck line in the world. A brand promise is an articulation of what a company promises to its target market—something that the customers view as the best value. It comes from the company's mission and vision but focuses specifically on how that mission relates to the individuals it wishes to reach directly.*
