RE: Project of the Consulate General of India

Dear Mr. Karkhanis,

I would like to take this opportunity to thank you for your company's outstanding performance on the recently completed Consulate General of India Project at 910 S. Michigan Avenue in Chicago, Illinois.

AKA Architects' team deserves to be recognized for their tremendous communication with the general contractor, Building authorities and Chicago City Authorities and efficient completion of the project. AKA Architects' commitment to the project and attention to details helped this project meet its goals and objectives and made it a very successful experience for the entire team.

We look forward to working together on future projects.

Yours sincerely,
