

Phoenix ORO 2.5 (2018) Coffee Roaster— Excellent Condition – \$3,200 OBO

Selling my well-maintained Phoenix ORO 2.5, 2018 model. This unit features:

-  Black body with silver stainless steel and gold hammered housing – elegant and durable
-  Gas mode operation – reliable and efficient
-  Light fixture needs a new LED bulb (inexpensive and easy to replace)
-  Fully functional, great condition, used part-time for a home-based online business

Due to medical reasons, I'm no longer able to continue the business and am parting with this unit. It's been cared for meticulously and is ready for its next chapter. Feel free to reach out with questions or to schedule a viewing. Text or call Linet @ 928-821-4950 or linmeemken@gmail.com

No shipping, pickup only in Cave Creek, Arizona.
