

D Systems Residential Fire Pump
 13D Compliant Pump Submittal Data –
 2HP 300g D System Package

R/DS32-1/1/15

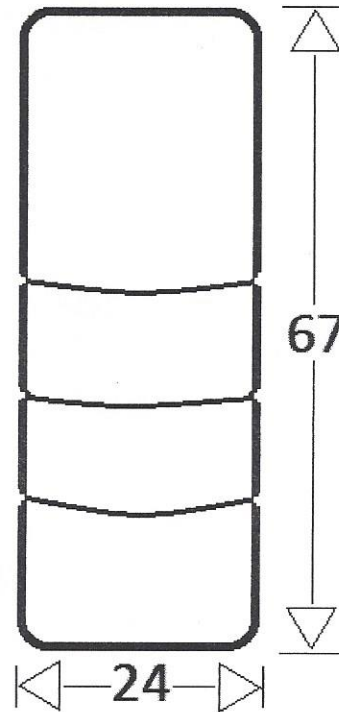

Model 300-202-D

Pump Data

- 2 HP 6-1/8 Impeller, Single Stage Centrifugal Pump
- 316L SS Corrosion Resistance Construction
- Built-In Overload With Auto-Reset Provided
- 11amp 230V Single Phase UL Motor (110V, 22AMP)
- 1-1/4 Galvanized Riser F NPT

Pump Flow (not for certification use)

GPM	0	20	25	30	35	40
PSI	68	60	57	55	52	49

Components

- A. Complete Auto Fill Assembly
- B. Test Valve
- C. Water Pressure Gauge
- D. 3/4 Bypass Line w/ Backflow Preventer
- E. Flow Switch
- F. D Panel Pump Controller
- G. Supervised Control Valve
- H. 40 60 Pressure Switch
- I. Polyethylene Translucent 300 Gallon Tank
- J. 2 HP UL Motor w/ Pump
