

In Your Weakness

Rachael Martin 9,24,2015

The Lord spoke to my heart about being a weak link today. He didn't elaborate but as I have pondered and meditated on the Word, I've gained more insight. I asked my husband what he thought when I said "Weak Link" to him and he said I guess there's a kink in your armor. (Meaning the armor of God referred to in **Ephesians 6:11**.)

The Lord wants to encourage us today! We travel along this road of life and we do our best to follow the lead of Holy Spirit and focus our sight on things above not here on this earth and be someone who shares the light of Jesus Christ with every opportunity we have. The days don't come and go without some wear and tear on us, on our faith, on our hope, on our zeal for the Lord and His saving grace.

2 Corinthians 12:9 And He said to me, "My grace is sufficient for you, for My strength is made perfect in weakness." Therefore most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me.

I'm reminding you today not to worry, because God's strength shines through at your weakest of moments as you rely on Him. If He is your source, even when you are lying flat on your back, He is able to give you hope and a reason to look up. If you are feeling weak, if you feel like you are too old, if you are down in spirits or think you have come to the end of the road, do one last thing – thank Jesus for His power resting on you because His promises are true! That's what the scripture says above – and God's word doesn't lie and will not return void.

Furthermore, **Hebrews 4:15** tells us that Jesus sympathizes with our weakness – He understands and Holy Spirit will back up that understanding with groanings that we don't even know about – (**Romans 8:26**) but because HE LOVES US – He hears our prayer and knows our weakness and is ready to help in time of need.

So when you get a kink in your armor and you need a minute – it's okay – God knows! He is ready to carry you through. **Isaiah 46:4** – Even to your old age, I am He, And even to gray hairs I will carry you! I have made, and I will bear; Even I will carry, and will deliver you.

Be encouraged today, His perfect strength will shine through as you move forward with God – and He will see you through. He will use that weakness – He will get the glory! Even if it's all you can do – be still and know – He is God and He is faithful and He is strong on your behalf – today and always!!
