Help Us Build Our New Church Directory

KCOG is putting together a new online pictorial church directory which can be available to everyone who has an email address on file. When finished, we will be able to print a copy for those who would like one. To make sure your family is in the directory, please follow these directions.

For those who already have an email address on file: go to members.instantchurchdirectory.com and create a login account, using the email address on file at the church. Sign in and find your family name. Click “Edit my family,” enter the information needed and upload a picture of your family. It’s that simple!

For those who do not have an email address on file: call the church office and let us know your email address. We will enter the information, and you can then submit your information and picture online, using the above instructions.

For those who do not have access to the internet: call or mail the church office, bring or send a picture and we will submit it for you. WE WANT EVERYONE WHO WILL TO PARTICIPATE AND HAVE ACCESS TO A CHURCH DIRECTORY!

Questions? Call the church office and we will be happy to help you!

WEEKLY BULLETIN

Safety Protocols at KCOG

Throughout the pandemic, we have implemented guidelines to help keep our KCOG family safe.

Recent new Covid case numbers are declining in North Carolina and the number of people receiving their vaccination has increased. If you are fully vaccinated, we do not expect you to wear masks at church. If you have not received your vaccination, please consider continuing to wear your masks to your seat and back out to the car after the service and continue to practice social distancing. If you are sick, or are experiencing any symptoms of Covid-19, please plan to watch our services remotely via our livestream. We will begin opening more seating going forward to accommodate the larger number of attendees, while still having some areas reserved for social distancing.

Thank you for helping yourself and others stay safe as we continue our re-entry back into in-house worship services and classes. Let's continue to focus on Loving God, Loving One Another and Loving Souls.
