## How to obtain covered services

To obtain covered services, call an ASH participating provider to schedule an initial examination. If services are required, verification that the services are medically necessary may be required. Your ASH participating provider will request any medical treatment necessary. An ASH Plans clinician, in the same or similar specialty as the provider of services under review, will decide whether the services are or were medically necessary. ASH Plans will disclose to you, upon request, the written criteria it uses to make the decision to authorize, modify, delay, or deny a request for authorization. If you have questions or concerns, contact the ASH Plans Customer Service Department.
