Step into the natural beauty of our home state through the pastel artwork of The Ohio Pastel Artists League (OPAL). Located in Franklin County, OPAL was formed in 2012 by a small group of artists who enjoyed painting in soft pastel. The organization is active with close to 70 members who continue to grow in artistic endeavors with painting, demonstrating, and exhibiting artwork. “Beautiful Ohio” captures in brushstroke the wonder and exquisite imagery that Ohio has to offer.
