

NEW CHANGES FOR 2019!!!

- **NEW TEAM COMPOSITION GUIDELINES:** Teams in all divisions may be composed of qualified league members from anywhere within the same local ACS/CCS-league operator's system. There will no longer be a "core player" minimum in the composition of a team. Minimum weeks of play that qualify a player for various competitions will continue to be defined through an example: If a 4-week minimum is required by the ACS Midwest, a player must play the equivalent of four (4) full matches over a minimum of four (4) weeks in one sanctioned ACS league session since June 1, 2018. If a player plays in a 16-game weekly-match-format-team league and typically plays four games/night, the player must therefore play a minimum of 4 x 4 games - 16 games to be qualified for that specific Championship.
- **NEW SCOTCH DOUBLES COMPOSITION GUIDELINES:** For all Scotch Doubles (man/woman) divisions, any qualified ACS/CCS league members from any ACS/CCS-sanctioned leagues throughout North America may be partners. In other words, partners are no longer required to be from the same ACS/CCS league.
- **ADVANCED 8-BALL AND 9-BALL TEAMS COMPOSITION GUIDELINES:** Advanced 8-Ball and 9-Ball Teams may be composed of any 3 (9ball) 4 (womens 8ball) or 5 (mens/mixed 8ball) qualified ACS/CCS league members from ANY ACS/CCS-sanctioned leagues within the same state/province.
