

MEGAN MAYO

Megan Mayo is the daughter of Laura and Joel Mayo Sr. She is a 2025 Graduate from Baraga High School. She participated in Volleyball, Basketball, and Softball and was president of National Honors Society. She was on Yearbook Committee, Prom Committee, and a Class Officer. She was also a part of HOSA (Health Occupations Students of America or now known as Future Health Professionals) where She competed in Forensic Science at the state level. In her spare time, she enjoys hanging out with my friends and family. I love to be active, paint, and spend time outside. She is attending Michigan State University in the fall, and plan to pursue a degree in Nursing.
