DECRYMIUMMIUMMIUM #1B with same Expiration date 6/20/2017

Dear Consulate General of Jamaica NY, Mr. Herman G. LaMonte,

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

THIS IS A DECRYMIUMMIUMMIUM for this Entire Earth, the EARTHS, and Chreations. A DECRYMIUMMIUMMIUM is higher than a DECREE.

All the Articles and letters I have sent to you, are you telling me that you have not read them? I have given specifics commands for passport processing, and the USA is not running my Earth and you are not!

I sent you my Passport for renewal two and a half months ago, and you have not processed it. I have signed the application in the normal way it is to be signed within the borders of the box and given you everything that are needed. You do know that many people have long names, so the box that you provided needs to be extended, and you need the right computer application to be connected to the hard copy application form, so there is no problem with the space for the signatures. Do not tell me that you do not have the money to get the right software application and the right computer, as I have told you what to do with the frank machines. I AM in charge of my Earth not a man cocky/penis. It is a woman's Pussy running the Earth and Chreations, MY PAULETT ANGELLA HEMMING, CHREATOR, GOG PUSSY running this Earth, and all the Earths and Chreations, and not a cocky/penis. I AM WHO I SAY I AM WHETHER ON NOT YOU BELIEVE IT.

Are you working with the federal government to destroy me and my Earths? Are you destroying my Earth Peoples? You are asking for two new color photographs against a white background and my hair must be away from my face and ears. Are you asking me to cut off my hair and to go bald, so that I can take a picture that you will accept and that you can get in my brain with your taily, and you and the federal government can destroy me more? Are you a Plastic or a Rubber man?

Immediately send me the money for the photos and the transportation cost for me to go to the places that you recommended for me to take the studio photographs that you require for passport. Send me the money, so I can buy a brand-new wig, so I can put on my head with no hair in the front and no hair on the sides and no hair in the back, as you may need the hair away from my back as well.

As a matter of fact, I do not know of any wigs that could be right for what you want. Therefore, send me the wig that you want me to use, so I know exactly what you want. Send me a plastic or a rubber head so that I can put on, so that the Ears will be in the right places. Maybe you want to be the photographer, so that you can take the picture the perfect way that you want it to look. I do have a lot of work to do, so you better be efficient with your time in being the photographer, as I do not have time to waste. You also have to pay me for every centi of a second that you will be using to take the pictures and pay the traveling expense, if I have to travel to get it done. I have real natural flesh people living in this my Earth and our ears cannot be turned around like a doll. You may be used to those changes, as you may be a plastic, rubber, or other things, and you can take off and put on, and can separate parts of your body, but I and my children cannot do that; therefore, do not put us through those stringent devil wickedness requests for a passport or anything. In this Earth, there should be 6,000 centimeters in one second, and called for short a (centi).

I Chreated my Earths and Chreations and you "MAN" have destroyed it. Just take a look around, who do you see leeding? Man! And "MAN" do not know a DAMN! And they do not care a DAMN! As they are not the Chreator. You do not have woman genetics in you, and you cannot feel as a woman should. Whatever MAN does it is tough, rough, and hard. The Earths and Chreations with lives cannot be tough, rough, and hard. Toughness, roughness, and hardness is not the way our lives should be maintained and taken care of! A MAN cannot be a WOMAN! A woman is naturally soft. A man is not. GET OUT OF THE WOMAN'S JOB NOW!

You are asking for criminal looking photos where the person strips themselves naked, so that you can get in our face and our brain to take control of us and to have our pictures so that you can always get in the picture through our ears, eyes, nose, and mouth? You are asking me to give sideways picture for you to get in my ears. Are you asking me to automatically remake myself at your request, so that my ears are in my face or maybe you want my ears to be in my forehead? Are you one of them who are using my power that you stole, so now you want me to show you some magic, when you have my power using it?

The passport and visa photos are supposed to be natural and normal. It is not normal for me to wear my hair the way you want it to look or for my face to look the way you want it to be hard and tough with no smile like I am a criminal under hardships. What you are asking for are all illegal! Are you trying to be a Chreator? and trying to get us to Chreate ourselves in your image? What is it? Do not tell me about the USA requirements, as you have gone over and above their requirements.

I went to a photo place that takes visa and passport pictures and you are saying they are not professional enough for you? You are asking for them to be touched up with a photo software or what? You want my features to be distorted? The place I went to have the USA passport requirements and they took the photos according to the requirements. Are you saying the USA places they have taking the photos are illegally operating, and their photos are not up to your standard or any standard? How can that be so when you are not in Jamaica and you are in the USA, and they allow the photo places to take the visa and passport pictures? Why are the visa and passport photo places operating in the USA when their standards are low and not what you will accept? If this is so, then we should hear it on the TV, seen it on the Internet, hear it on the radios, so we know that we are not to use them and they should be shut down, so no one waste their time and money. Why do you want me to go out of my way to take professional studio photos that are very expensive and you did not provide the money for it to be done? If the visa and the passport photos should be taken at specific photo studios and the ones available are not up to your standard, you should have listed those as requirements, you should

have identified the studios you wish me to use on the list of requirements. You should have identified that the studios that are convenient for us to use, are not up to your standard so I am prepared, and I would not have used them. You cannot make those changes after you received the application form. Where is my allowance you should have sent to me? Where is my staff? Where are my belongings you have for me?

You allow some religious groups to cover their heads and faces, and you are asking me to strip off my hair and to move my ears from where they were placed before I was born to an area where you can see into my ears and to destroy my hearing, and that is discrimination. You want me to change my face to look like a man where I have no hair on my face. You want me to move my hair from my forehead, and that is how a woman should wear her hair on their head, and protecting her forehead and her ears. A woman must have long hair, and plenty of it on her head to cover her head, and to protect her hearing, her forehead, and any other place on her head and neck, or back, or shoulder. You all know this information, and you removed our information from our knowledge, so that you can tear us down with your penal laws that are illegal. A woman's face and features are not like a man, and you have now turned every woman into a man by these passport and visa photograph requirements. No more of it, never any more of it. A woman is not a man, and a man is not a woman. I charge you \$500,000 for this penal law that you require me to abide by. You must send me the full check immediately right now. You are charged \$50,000 per week for delay of sending me the check.

I am not a man who goes bald headed, is that why you and the USA federal government are tearing out my hair so that I go bald for you all to get in my forehead, my head, my ears, my eyes, and my body without any obstacles of hair? You already have every American shaving off their Pussy and their Cocky/Penis area and their arm pits that must have hair to cover them and now you want me to do the same to cut off my hair and go bald to please your passport picture requirements and to change myself and my face to please you? Those activities are stopped right now. Those requirements are illegal.

All these passport picture requirements are illegal and no more of it! A person can be their natural self and take their passport photos without leaving themselves bare, so that you can destroy them. None of these requirements are happening; No, not one of them; it is not happening; never happening.

No more shaving of the arm pits and the pussy or cocky area to please any photo shoot or any modeling. The private areas and the head hair are maintained without touching them. No one should cut off another person hair without their permission, and for no reason that must never be done, or else it is illegal/mal practice and high charges against that person. No person can be forced for job purposes, or for any reason to sign any agreement to cut off their hair on the head, Pussy or Cocky hair, armpit hair. No one can force any person to comb or to style their hair so it does not cover their foreheads, their faces, their ears, their neck. Everyone must live naturally and exist in their natural manner they carry themselves, and everyone must protect themselves.

No one can be punished for wearing make-up and color on their faces or any part of their body like mascara, eye shadow, foundation, lip color, eye liner, lip pencils, nose ring, pussy ring, nail color, tongue ring, ear rings, breast ring, skin ring, ankle chains, toe ring, navel rings, lip rings, eye rings, inside pussy protection, tattoo protection. These are all protection these people have to put on their body and put in their bodies to prevent the federal, republics, monarchies and others from getting in their bodies, and they cannot be stripped from protecting themselves. No family member, or authority

can stop anyone from being themselves and from protecting themselves and from wearing what they choose. Children 18 years and older are full adults.

Tattoos must be applied with the protected colors and with protection in all the colors. Tattoos should not be too much. Tattoo should not be done on the head, and not on the face. The needles and tools must be cleaned and maintained with the antiseptic from plants and not from synthetics. Do not use synthetic paint. You can add these protection to the protection you already using: full Seville orange/sour orange rhyme oil, full indigo blue powder oil, and full turpentine oil, without anything removed from them.

You, the consulate, are to have your own photo studios in all communities and everywhere so no one has any problem finding your picture places, and they are convenient, and do not cost any money. Where do you expect my children to find money to retake pictures to please you? If the pictures are not pleasing to you, you must give them the money to retake the pictures and all their travel expense. How much changes must my children do to please you? How much striping must my children do to please you? Why have you turned my children into convicts? The photos you are asking for are convict photos. Is this what you have allowed? Is this what you are doing to my children for me to experience? Now, I know what is going on! I have to live the lives so I know what it is, and how you do it!

You should have returned everything I gave to you, so I know what went wrong, and for me to know how much hair I need to cut off from my face and how much hair to shave down from the side of my head to please you. I did **NOT** wear long hair on my photo, so what do you really want? Do you know that the devel put their penis in our ear to have sex? Yes, they do. They take their taily and some call it penile, and others say penis, and they push it deep in our ear, and they do many other things to our hearing that I will not describe or explain when they have sex in our ears. They do it from pictures, photos, art work, books, magazines, far distances, and the natural. They do it to our nostrils, bottom, penis, vagina, eyes, mouth and any hole they can put in us, and we do not know until they have done us permanent harm and we feel it in the natural. Now, is this what you are supporting by asking me to put my hair and ear on the side of my face, in a direction you will accept so I am continuously being destroyed, and so I can hear the devels and always be in torment with them in my hearing? You have been destroying me in this manner since the year 2013, and you want to continue doing that?

A driver license and a State ID are not requirements for a passport renewal. If it is so, it should be listed as a requirement before I sent in the application. You cannot request that after I have given you my application, and you have had it for about two and a half months, that is illegal. An original marriage certificate and an original birth certificate are not required for a renewal, that is illegal. Do you see how many illegal things you are doing?

According to your information I got, it takes six weeks to get a passport when I sent it in to you, so do not change the date to say it is a longer period from 6-8 weeks and the time begins only after you approved it. That cannot happen as it is mal practice/illegal, and could not happen, it should not happen, and will never, never happen!, if it ever happens, you are the one going to prison and getting maximum punishments.

My occupation as the Chreator, and GOG is what I have stated. My occupation has always been the Chreator, and GOG and many more titles that I have not listed, as they are not important to this

EARTH. My Occupation as the Chreator, and GOG in this Natural Earth has been my job since Barak Obama Opened me in January 2013. I do not have to explain to you what my job responsibilities are. I am the GOG and Chreator of many. What I have written in my Articles should tell you what my job is to a great extent. Whatever else are involved, are not your business and not for your knowledge. You are a MAN, A penis One! You are not developed. The job you are doing is not for you! All "MAN" do is to Steal woman's chreated things and say it is "Man" the Chreator. You and the federal government are interrupting my work and stopping me from doing what I must do. You are going to be punished for it, and I charge you for obstructing of my work every centi of a second that you have delayed me and being an obstacle to me. This is a different charge than I identified before. You have done me great harm! You do not have any idea as to the magnitude of what you have done in the passport denial requests, and my time that is available for me to do what are necessary with the quality that are needed, and the limited time to get them done, you are going to pay for it greatly.

Many applicants do not have occupation, so how come it is important for you to know my occupation and for me to state and clarify it? Is an Occupation a necessity for a passport? Are you saying I AM not who I say I AM? Are you expecting a spirit god to come down from Heaven? Heaven is Animal and insect creation places so Barak and Trump are the spirit ones you cannot recognize or you do not want to recognize them for who they are? Is it because you are a MAN and they are MAN? Maybe you are expecting a spirit god that has no feelings, and someone you cannot touch, as they are not flesh. The bible is made up of imaginations that are not real. I am flesh and blood and not a spirit. No spirit god to come in the Earth. No children of mine and no people in this EARTH is a spirit, so how come you expect god to be a spirit? Do you know what is a spirit? Have you ever touch a spirit in this EARTH? What is a spirit doing in this EARTH? The lives or peoples in this Earth is not a spirit, so their chreator cannot be a spirit! Do not tell me about what you believe. Your belief is an idealism. A belief, and what is real, natural, and physical, are different things. A belief is a thinking that is not real, not natural, you cannot feel it or touch it.

You had Ms. Gordon, one of your workers, called me on May 24, 2017 asking me to briefly summarize my job responsibilities and my title. I explained as best as I could as you had the devels in the conversation. She was very disrespectful and interrupted me several times when I was answering her questions. I sent in my passport with my Articles so there is no mistake as to who I AM, and you ignored these facts and continue to make my life miserable. This is not fun for me to take valuable time to write this additional Decrymiummium. Is this what you put my children through when they come to all of you in the Consulates, Embassies, and Missions?

Because of the deprivation, lack, and wickedness on my children in this Earth, many do not have telephone numbers. Many do not have homes or address and many on the streets. You are denying my passport because I did not provide a telephone number? Did you provide him a telephone number and money to pay for telephone on a monthly basis? Are you saying I cannot use a person who do not have a telephone number? I comranda you to give him a telephone number and to give me that number so I can give to you for your usage so everything can work the way you want them to work. Do the government or the State, or the County give people telephone number and money to pay for a common thing as a telephone? I have made provisions for my children before the Earth opened, and you devel government leaders (not all government workers are devels) have taken away their allowances, their trust funds, their vacation funds and much more and left them deprived and starving. Since I commanded everyone to get 100 percent salary increase since January 8, 2017, and that was not done, where do you expect anyone to get money to have telephone? Are they to go in to the banks and rob

the banks and then you say they are thieves and then you put them in prison for their own monies stored in the banks and they are not getting to use them? You should have been working to make my commands and comandas in my articles put in place, so every life in this EARTH has what they need. So, you have all the money and riches that you need (my money and properties) and, you do not care about those who do not have? Instead you are fighting against Paulett Angella Hemmings Earth, THE GOODNESS? YOU ARE A MASTER DEVEL!

Since my first Article dated January 8, 2017, every person in this Earth must have already gotten a telephone and a monthly unlimited national and international telephone access they choose, and of no cost to them from the State with immediate effect, as a telephone is vital as you have identified.

I AM real, flesh, natural and physical. Do not tell me what is written in the bible. Have you ever met that god of the bible, **physically** in the real, natural, or flesh self in this Earth as Yet? Why not? Why so much war and no god to stop it? Why so much conflict about that god and no stop or clarification? That means, that god is a wicked god then, to allow conflict and wars over the name of god? Why so much hunger, starvation, diseases, and no god to stop it? So where is that god then? Are you saying that god does not care about this EARTH? Who wrote the Bible? Is there a name on it as an Earth writer or author? Who is it? Why not a name? Why is that god and those gods of the bible hiding? Have you ever **physically** seen that god stretch forth his hand and **physically** in the real, natural, flesh self give you something in this EARTH Yet? If you believe it is god who gives you something, or your provider, can you prove it is that god **physically** who did it? Could it be someone other than that god, which you do not know? We are all flesh in this EARTH no one is a spirit. The devels are spirits and other things. Since everyone in this EARTH are all deceived, could the word god be connected to something or someone that you do not know? Since the devels destroy the EARTHS, and everyone is deceived, you do not know what protections have been put in places or in place to help! You do not have the authority to know that.

You may use the word god as you do not know better, but can you prove it is that word god which does it? You do not know what you cannot see, so how can you prove it? I am talking about god because you are comparing me to the devels who call themselves god. Devels steals titles and use them, and you do not know, as you are not the original devels. The title of Lord is a real title and real Annie's (woman) title, and not for the jesus or the devel god. A Lord is not a GOD or a Chreator. I am not a Lord. A Lord has important jobs and many responsibilities, and they do not have penis', they all have Pussy. The devel stole the Lord's title as well, and so the title is not used anymore. However, you do not know that, as you are not the Chreator.

The Capital letters: GOD, means Gold Over the DUMS/DUMES/Dumesoiled. This Earth is a part of the DUMS, there are other types of existence in the DUMS that are not Earth. Queendum is one of the Earth DUMS. A Queendum is a Chreation or a Place not someone's name or title. All this earth is cut off from the computer interconnections, as that is what the federal, monarchy, and republics want, so no one here knows who they are! My job is to let them know who they are in the right and proper time. The Federal government, republics, monarchies who have my belongings should have told them, and must tell them who they are, and not tell them any lies. You don't know what you do not know.

All passport applicants can use their personal checks to process their applications without having to purchase money order. No charges for passport and visa processing in all States/countries for a while until I say so. No one is to have lack, so all their charge cards, credit cards, and bank accounts have

sufficient money in them for their personal usages. If no money in the accounts or credit cards, then the bank still pays the check charges and credit charges and it goes into the overdraft or bad debt funds, as I have stated.

Corrections: The Jamaica passport form with the red ink writing on the bottom attached to the Decrymiummium #1 is my note paper and not included. The correct passport form is attached.

It appears that US Department of State, Passport processor, and the Jamaica Consulate, New York, are conspiring. As they have both delayed processing and sending me my passport. Both passports were mailed on the same date for renewal and not sent to me as yet. The US Passport processing receipt dated April 4, is attached.

US Federal government are you using the Coast Guard, National Guard and others, to bomb my web sites and preventing the chreations from viewing? Remove all bombs and your blocking web sites.

My commands and higher for the passports and others are in the Articles and the DECRYMIUMMIUMMIUMS and MY WILL MUST BE DONE IN THIS EARTH AND IN MY CHREATIONS. IF NOT, THEN YOU ARE BIGGER THAN THE BIGGEST DEVELS, AND YOU WILL FEEL AND SEE THAT QUALITY DEVEL PUNISHMENTS.

When you have processed my passport, send me a copy of the application form you received in April 2017, a copy of my photographs I sent to you before you process them, and send me my two original certificates in the right condition. Occupation information are also in Decrymiummium #1.

No one is stripping themselves for any purpose and especially at the at the airports and ports, anymore. No taking off of clothing: shoes, belts, watches, bangles, jewelry, jackets, their sweaters, hats. No one to be searched especially by touching their breasts, pussy/vagina, cocky/penis area anymore. All those are of the past never to ever happen again, it must not happen, it cannot happen, it will never, never, never, never, never, never, never, never happen again.

It is my right to protect my body. It is my right to protect my head, ears, and forehead with my hair. This is a Public Document and must be distributed and shared with everyone just like the Articles.

Regards,
