CENTER HIGHLIGHTS

MERCER COUNTY COUNCIL ON AGING

TELEPHONE: 419-586-1644

Our mission is to help older people live dignified and reasonably independent lives in their own homes for as long as possible.

Director's Desk

Have you ever noticed how Christmas is a much different holiday for adults than it is for children? I fondly remember the Christmas mornings when my cousins, siblings and I would wake before the crack of dawn and try to wait patiently as the adults unburdened themselves from slumber, so that we could see what Santa brought us. I loved Christmas Eve because the children at the church were responsible to carry pieces to the crèche scene during verses of favorite hymns. I will never forget when I was finally old enough to carry Mary to her place in the hay. As an adult, Christmas holds a certain level of stress that I find quite disturbing. Am I getting the right gifts and for the right people? Do I have enough time to attend all of the various parties and events? Is my house clean for company? Do we have enough staff to cover the office? I'm simply exhausted thinking about it. But if I allow myself to take the time to stop being an adult about Christmas and start being a child about Christmas, I can find the joy again. I love watching the cats play under the Christmas tree. I am excited that I get to wake up on Christmas morning (late not early) with Mr. Green by my side. I find incredible delight in sitting next to my father on Christmas Eve and listening to him sing the bass in Joy to the World (we kids actually fight over who gets to sit next to him in the pew and we are all in our 40's and 50's). MCCoA also puts the joy in Christmas. We will host our annual Christmas Carry-In on December 10 and, like last year, I believe that Santa and one of his elves will make a special appearance. We will also take a tour of the Christmas lights in Celina on December 18. We had such a great time last year! And if you need to destress, come to chair yoga. The lights are dim, the movements include light stretching and there is time at the end to just release all of the clutter from your mind. Christmas really is a joyful time for young and older and I wish you and yours a very Merry Christmas and a happy New Year!

Garage Sale Donations

It is the time of year when our Transportation vehicles need to stay in garages for protection from the weather. This greatly limits the amount of space for donated furniture. No furniture will be accepted without preapproval. Estates will only be accepted until we are full. Normal donations will be accepted on Tuesdays and Thursdays from 8:30 am to 4 pm. Daily donations for our next garage sale will be from February 9 to 16, 2019. We will be accepted beginning February 5, 2019.

Spotlight on the Jigsaw Puzzle Table!!!

A little silver-haired lady calls her neighbor and says, "Please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started." Her neighbor asks, "What is it supposed to be when it's finished?" The little silver haired lady says, "According to the picture on the box, it's a rooster." Her neighbor decides to go over and help with the puzzle. She lets him in and shows him where she has the puzzle spread out on the table. He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster." He takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then," he said with a deep sigh.... "Let's put all the Corn Flakes back in the box."

Christmas Lights & Cookies

Want to go see the Christmas lights around Celina? We will be taking a bus tour to see all the beautiful decorations. Then we will head back to the center for some hot chocolate and cookies. Join us Tuesday, December 18 from 6 to 8 pm as we celebrate the season. Seating is limited so call and reserve your seat today, 419-586-1644.
