

## Get Connected with your Dog 3 *For Performance, Puppy or Pets!*

Back by popular demand! Because we can't get enough of her, Columbus All-Breed Training Club is pleased to welcome back Brenda Aloff for Level 3 Get Connected

***"Understanding dog behavior is more about how the dog learns – and what the animal hears – than what we are saying. And it involves the pet and the owner working collaboratively. It's teaching the clients to train their animal – training the people to train the dogs... and getting them to understand how the dog communicates" - Brenda Aloff***

Relationships are built on commitment! In Level 3 GC you will learn

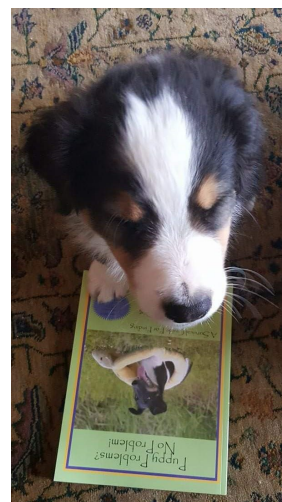

- Read your dog's body language in order to **understand** what your dog is saying to you.
- Your dog is looking for **body language not verbal language**. What does that mean in training terms.
- Learn to be consistent and coherent in your interactions with your dog
- Teaching Environmentally Cued Behaviors

**Get Connect Level 3 August 23rd & 24th, 2025**

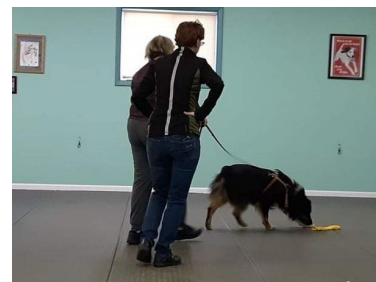

**Working spots limited to 6**, unlimited auditor spots. Special auditor rate for current, active CATC instructors
