The Golf Courses:

Las Colinas Golf Course:

Designed by Gary Koch and built in 1992, Las Colinas (Spanish for “the hills”) is an 18-hole championship course that offers quite a different challenge from El Campeón. It is an inland links design with generous, wide-open fairways, gentle rolling hills and large, undulating greens. Play a Top power ranked U.S. course on GolfAdvisor – Las Colinas (#3) – April 2017.

Las Colinas was nominated as “Best New Resort Course” by Golf Digest in 1992, named “Best Places to Play – 4 stars” by Golf Digest, and has received “Top Fairways” recognition by Golf for Women. Its signature hole is “Alligator Alley”, the par 5, 12th hole that spans 493 yards along a tree-lined fairway and requires absolute accuracy from tee-to-green.

El Campeon Golf Course:

Opened in 1917, El Campeón (“The Champion”) is one of the South’s vintage 18-hole golf courses. An original member of the 53-course Florida Historic Golf Trail, El Campeón showcases classic golf course design as well as sharp elevation changes unique to the Central Florida region. Surrounded by an abundance of natural Florida beauty, the El Campeón 18-hole championship course was originally designed and built by Chicago-based course architect, George O’Neil and further enhancements were made in 1926 by Charles E. Clarke of Troon, Scotland.

It has been the site of numerous junior, collegiate and professional events throughout its storied history, including the Class 1A, 2A and 3A Florida High School Golf State Championships held in 2019. On the books for 2020 were PGA Tour qualifying events for the PGA TOUR Latinoamerica in January and Mackenzie Tour in March.

El Dorado Executive Golf Course:

Mission Inn Resort & Club welcomes you to our newest recreational golf experience, El Dorado. It is an 18 hole 3063 yard executive course. New “gold tees” on Las Colinas will allow you to enjoy this experience, perfect for members, seniors, juniors, beginners and tournament groups. Par is 58. Certain times will allow 9 or 18 hole play. El Dorado has special meaning as the Spanish Conquistadors were fascinated by the Legend of El Dorado. The 16th Century explorers heard about this fabled city of gold, place of fabulous wealth and opportunity in South America. For our Mission Inn golfers, they will follow the the trail “gold tees” to the treasure of birdies and pars as they become explorers on

El Dorado in the world of golf. Your scorecard is your map to the pursuit of the legend of gold and riches.

We will offer this as an additional Tournament Option on the morning you depart. It will be an 18-hole competition afterwards, lunch will be included along with Prizes. Cost to participate will be \$35 per golfers for Greens Fee, Tournament Fee, Opportunity to win Prizes and Lunch. If you want to play, let us know when you register.
