

Keep On Trying

Little Billy's got an 8 millimeter
He wants to shake the world
But, for now, he's making porno flicks
Just to make a buck, and a girl
And day after day
And week after week
And year after year

Keep on trying
Keep on trying to be
Keep on trying to be what you want to be
If you're going to be what you want to be
Keep on trying

Little Johnny's got a big, dark basement
He's got a four track and all
Says he wants to be a rock and roll creator
But he just stalls and stalls and stalls
And day after day
And week after week
And year after year

Keep on trying
Keep on trying to be
Keep on trying to be what you want to be
If you're going to be what you want to be

Little Susie has lots of ambition
She wants to be on top
Says she wants to be a football hero
Run and never stop
And day after day
And week after week
And year after year

Keep on trying
Keep on trying to be
Keep on trying to be what you want to be
If you're going to be what you want to be
Keep on trying
