CCTC TDX Test Nov. 9/08

Five dogs were entered and two passed. It was 5 degrees, overcast and very windy. The fields were alfalfa, hay & clover in three locations that were used. Our judge was Marie-P Babin

- 1- A GSD (4 yr. old female) who had a great start but took the first cross track on the first leg. Of course she was amazing on the rest of her track.
- 2- CH. OTCH Carnaby Ace Ventura TDX, AGX, AGXJJW (4 yr. old English Cocker Spaniel male) Owned and trained by Helena Tracz of Owen Sound Ont. and today handled by Eileen Fisher of Markham Ont. "Ace" was right on the track all the way with a bit of difficulty just on one corner that he worked out in part of the track that had been plowed. Great indications.
- 3- A GSD (7 yr. old Female) with a great start on short grass, took the change into alfalfa but then turned left instead of right at the first corner.
- 4- A GSD (3 yr. old female) who got to the second corner but kept going and didn't turn left for the corner.
- 5- Clitheroe's Phoenix CD TDX (7 yr. old male Golden Retriever) Owned by Ilene Newman of Kingsville Ont. "Jaimie" was fantastic today. He was right on the track all the way with his great indications of rolling on the articles with legs in the air.

Thanks to our tracklayers & X-tracklayers, all went very well. We also had some great food and way more than we needed at our HQ at Bev Wiggan's Tracklayers were L to R ; Candy Rennie, Sue Godbehere, Rosie Van Bommel (carried flags) Maryke Warwick, Shirley Kong, & Mirkka Koivusalo and our X-tracks were done by Ed White, Isobel McGowan & Maryke & Mirkka switched tracks.

Help needed for the May weekend TD, TDX, UTD, UTDX Tests

We'll be needing tracklayers for all these tests.

For the first time, we'll be having the Urban tests on the Friday evening May 8th. Tracklayers will be needed on the Thursday evening for plotting & then on the Friday evening to re-walk the tracks.

The TD, TDX tests will be on Sunday May 10th and we'll be needing tracklayers on the Sat. morning & again to walk the tracks on Sunday morning.

Cross-tracks need only to be walked on Sunday, so if you can only come one day, being a cross-tracker will work for you.

Please let us know how you can help out your Club.

After the Urban test, we'll be doing the rosette presentation at Tim Horton's where the draw will be held.

On Sunday, after the TD, TDX test, we'll be having the Pot Luck lunch and presentations at the HQ at Bev Wiggins' home.

If you can bring something for the Pot Luck, it will be appreciated.
