

## Color Country Corvette Club Presents

# Kanab's Western Legends Heritage & Music Festival

Hosted by Derek & Shelby Hall  
Friday, August 27-28, 2021

We will depart Terrible's Gas Stop at **Exit 13 at 9am on Friday, August 27** for the 1-hour drive to Kanab.

This is an overnigher you will not want to miss. We attend every year and thoroughly enjoy the activities such as rodeo, music festival, cattle drive, and the wagon train. All happening in historic Kanab, Utah

the home of hundreds of western movies starring all your favorite western actors.

There is no time like the present to book your hotel room for Friday night as rooms will go fast as we approach the dates. We like to stay at the Canyon's

Hotel which is a very quaint boutique resort but has limited space. However, there are many other hotels to choose from if you just type in **Kanab Hotels** in your browser and pick a hotel you like and reserve now.
