

Mission Statement

Optical Seminars' mission is to advance opticianry by providing continuing-education hours that are consistently educational, practical, and accessible; to inspire Eye Care Professionals to deliver their goods and services in a spirit of professionalism, service, and compassion.

Vision Statement

By the end of the 2017-2018 biennium, Optical Seminars will be the leading provider of optical hours in Florida, by providing the most educational, engaging, and economical classes to all licensed opticians.
