The Texas State Board of Medical Examiners and the Texas State Board of Podiatric Medical Examiners continue to exercise regulatory authority over their respective licenses.

(f) A physician assistant or combination of physician assistants may have only a minority ownership interest in an entity created under this section. The ownership interest of an individual physician assistant may not equal or exceed the ownership interest of any individual physician owner. A physician assistant or combination of physician assistants may not interfere with the practice of medicine by a physician owner or the supervision of physician assistants by a physician owner.

(g) The Texas Medical Board and the Texas Physician Assistant Board continue to exercise regulatory authority over their respective license holders according to applicable law. To the extent of a conflict between Subtitle B, Title 3, Occupations Code, and Chapter 204, Occupations Code, or any rules adopted under those statutes, Subtitle B, Title 3, or a rule adopted under that subtitle controls.
