

# MLS DRONE VIDEO INSTRUCTIONS

## STEP 1:

The process of loading a drone video is, the video must be hosted on a website (example YouTube, Vimeo, etc). So for example, if the video is loaded onto YouTube, in the video screen (shown below), click on the Share button at the lower right side – this will open the share options.

## STEP 2:

Once the share options appear, click on Embed.

## STEP 3:

At the next window, you will be presented with the Embed link (highlighted in blue below). Copy the entire link.

## STEP 4:

Go to the Change menu of the listing and click Videos (shown below).
