

Friends of Carefree, certain council members and other pro-tax supporters are door knocking in a last-ditch attempt to scare the hell out of residents. They are desperate to win the Property Tax vote, *even by deceiving you*. Yes, that is exactly what they are doing, and Yes, it is, a **Property Tax vote**.

There is no *late breaking news* as their supporters are trying to trick you into believing. A trick the town administrator conceived to help propagate the scary narrative the town has been peddling.

The response time figures we have provided *are not our figures*, they have been reported by more credible sources than the lemons that fall from your own lemon tree, or your neighbor's. **If you need one final statement of the facts, please watch the brief video at the link below:**

Now that you have heard and seen the facts, facts we have been reporting since early in this election campaign, think about the following?

Who is lying?
Phoenix City Manager,
Fox 10 News,
Arizona Family News,
Phoenix Firefighters,
OR IS IT
The Phoenix Fire Chief
AND
Gary Neiss, an administrator

In closing,

**Another reminder to members of the Carefree Town Council
and the Public Safety Advisory Committee:**

You have perpetrated a deliberate misrepresentation of material facts concerning Automatic Aid in an effort to conceal the truth you knew, *or should have known*, thus endangering the future health, safety, and welfare of the citizens you have sworn to represent in your oath of office.

Please remember to Say No, ***now and on your ballot***, to this despicable effort to change the character of Carefree, forever.

Property taxes are the unchained beast of bureaucrats who grow more and more comfortable and dependent on spending Other People's Money. If you have had enough of that, say no.

“Choose wisely Grasshoppers”

And there you have it, for now.

Notice: In addition to reporting *facts*, this Newsletter will contain the author's perspective on topics or events affecting Carefree residents. That perspective may not be popular with the mayor, council members, staff, town attorney, or Facebook Trolls. The fact is, I don't care what they think.

If we lived in a perfect world, we would need but one newspaper.

God Bless America.

“The only thing necessary for the triumph of evil is that good men do nothing.”

A CFM reader provided the following: “At best, the essence of the quote can be traced back to the utilitarian philosopher John Stuart Mill, who delivered an 1867 inaugural address at the University of St. Andrews and stated: “Let not any one pacify his conscience by the delusion that he can do no harm if he takes no part, and forms no opinion. Bad men need nothing more to compass their ends, than that good men should look on and do nothing.”
