All World Series Games

**All regular, playoff & World Series games count.**

~ MAIN POOL RULES ~

The number of prize positions is based on the total number of entries. The top number of entrants (not point positions), plus last place will earn prizes. We use an averaging system - in case of a tie, the prize pool will be averaged (not shared), among the winners for each position. Players must verify their entry for accuracy. Prizes must be claimed within one year of the World Series and winners are responsible for contacting the administrator.

Updates are posted on [tdscore.com](http://tdscore.com) By submitting your entry, you agree to the rules.

~ Bonus Pool Rules ~

You must be entered in the Main Pool to participate in the optional Bonus Pool. Your picks and points earned will be the same as in the Main Pool. The Bonus Pool will be limited to groups of approximately 125 entries. If there are more than 125 total entries, additional Bonus Pools will be created with a similar number in each, and there could be more or less than 125 in each pool. Entries will be placed in the Bonus Pools based on the order they are received, and if you have more than one entry, you will be placed in different bonus pools (if available) unless you request otherwise. Prizes will be averaged (not shared), just like the main pool. Prizes will be determined by the total number of entries.
