

One More Than Ten

One for the ages
Not an if, but a when
Call you eleven
'Cause that's one more than ten

One more than ten
I don't need to be saved
One more than ten
Take me back to your cave

One more than ten
When push comes to shove
One more than ten
Please tell me, tell me it's love

One more than ten
One more than ten
Ooh, yeah, yeah, yeah, yeah

You really ought to know
But I can't let it show

Now you ought to know
'Cause I can't let it go

One more than ten
Yeah, you know that I'll fall
One more than ten
'Cause you're seven feet tall

One more than ten
Come on and give me a shove
One more than ten
Oh honey, tell me it's love

One more than ten
One more than ten
Ooh, yeah, yeah, yeah, yeah

One for the ages
Not an if, but a when
Call me eleven
'Cause that's one more than ten
