Shore District

NEWSLETTER JUNE 2021

PRESIDENT'S MESSAGE, BEVERLY KEUBLER and SHIRLEY HOULIHAN – Great things are done by a series of small things brought together. - Vincent Van Gogh June brings with it a host of memorable moments including graduations, weddings, and an end to a very unconventional but successful club year. Before I retired, June meant the end of 180 days where I saw a beginning and an end with a lot of work in between and so it is with the Woman's Club of Lacey. Although we break for the summer, the things we can accomplish do not end.

Activity day will continue throughout the summer both as a fundraiser and a time to interact with your fellow club women, please feel free to tell your friends that are not members and encourage them to join you for an afternoon of fun and conversation playing cards or learning how to play mahjongg. August will allow us to meet at the Tropicana to honor women from this club who will be receiving Honor Roll. We will also look forward to attending the play that Barbara Bowen is arranging at Surf Light Theater. I wish you a peaceful, healthy, and enjoyable summer as life appears to be getting back to "normal." Enjoy those moments spent with family and friends, for as we have learned it is the interactions with others many missed the most!

1ST VICE PRESIDENT – BARBARA

BOWEN - We will be heading to Surf Light Theater on Thursday, August 12th for the 2:00 show Xanadu. Tickets are \$36.00. Dinner on the way home will be decided shortly. Have a great summer.

2ND VICE PRESIDENT, CAROL NICOLAY

Good to see that members are involved in activities for the Club. Anyone who is involved, whether as a chair or not, must file monthly Project reports. I have attached the 2021 project report form that you can download and print.

Alternatively, you can go to the NJSFWC website, which is also attached, and click through to MATERIALS at top of the page, then scroll down to ANNUAL REPORT FORMS AND INSTRUCTIONS, then within that scroll down to Project Report Forms for Clubs. <https://njsfwc.org/materials/>

Flag Day is celebrated on June 14. It commemorates the adoption of the **flag** of the United States on June 14, 1777, by resolution of the Second Continental Congress. Three things you should **never** do to the flag:

1. The **flag should never** touch anything beneath it, such as the ground, the floor, water, or merchandise.
2. The **flag should never** be carried flat or horizontally, but always aloft and free.
3. The **flag should never** be fastened, displayed, used, or stored so that it might be easily torn, soiled, or damaged in any way.

The first face you see when entering Captain's Inn is Lillis Campbell. Lillis Campbell has been a member of Woman's Club of Lacey for 25 years or more. She has had an interesting life and career. Mother to Diane, Jerry and Michael, grandmother to two, a great grandmother and finally a great- great- grandmother.

Born in Texas and raised in many states along the eastern coast. Once Lillis married, she moved to Forked River, returned to Rockland County and finally settled in Forked River 60 years ago. While Lillis was a waitress, she had the opportunity to go to Ocean County College for nursing and in 1975 graduated as a registered nurse. As a nurse she worked both in Atlantic City and Houston Texas in the emergency room.

Lillis was a mom who volunteered time with Lacey Township 1st Aid from 1962-71, Girl Scouts and many other organizations. Before completely retiring in 2010 Lillis worked for the Toms River prison system. Lillis is a woman of many accomplishments. Lillis believes that "A stranger is a friend you haven't met yet".

Thank you, Lillis, for sharing your interesting and busy life with me.
