DESCRIPTION: The National Match was Colt's top-of-the-line bow in 1962, selling at \$90 (which translates to \$790 in 2021 inflation-adjusted dollars). Great looking and performing recurve. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in good condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Typical yellowing of the limbs. Decal is in fair shape, and the coin medallion is in excellent condition. The only minor flaws in this bow are a few small patches of off-color limb yellowing and a minor repair to the upper limb tip (see pics on last pages). Overall, this is a really nice bow in excellent condition for its age.
