

“My New Life” – Our take on a bad Country Western song!

Did you hear what Daisy May said about 2019? “I am going to begin **My New Life** and I plan to make **A Complete Change**. I am going to start by **Workin’ For a Livin’**. I overheard my boyfriend telling his buddies “**I Got a Brand New Girlfriend**” (Cute, Cute, Cute). Sounds to me like he is going to **Cut Me Loose**. Wow, who knew? If he is going to **Turn Me Loose**, then I am going to need to take **Action**. I **Ain’t Misbehavin** so I **Won’t Back Down** but I obviously **Gotta Move**. For now, I am going to **Dance Like I’m (Your) the Only One** and I may **Rebel Just for Kicks**. When the dust settles, I will just **Take It Easy** and wait for the **Repercussions**.”
