ICE CREAM TOUR, July 4th.

We gathered at Cherry Vale Mall at 1:00 PM on the north side by Penny's for our little impromptu tour. Joining the little tour were: Duane Bunton (who was our tour chair) in a modern vehicle, Aaron Crandall in his beautiful composite mystery T, Bill Duffee in his 26 Coupe, Dave & Deena Lantz and their 2 daughters in their 26 Tudor, Dean Wanfalt in his 30 A Tudor, Tim Wanfalt in his 29 A 4 door, Kurt Duesterhoeft in his 17 Speedster, Steve & Cindy Kindell 24 Touring, Vito & Vi Zavagli and Ann Ferrell in a modern car and Wayne and Phyllis Orrison in their 22 Touring. A small group, but enough for a fun time.

Yes, it was hot, but not too hot, especially after we got going. We left about 1:30 PM and traveled short distance to tour around the Peterson Meadows complex where Helen Anglemire lives. We were expected. There were quite a few residents outside in various locations in the complex waiting for our arrival. We slowly drove past them all - twice around the complex - making a little noise and waving. We received many enthusiastic responses and waves in return and had nice little tour around that wonderful place.

Wayne yelled out to Helen (sitting among several of her friends) and told her we were all going Skinny Dipping at Rock Cut Lake and asked her if she wanted to come along? She declined... Maybe she was embarrassed say yes.

We then headed for the Morning Star Village retirement home on Mulford where Curt Moen lives. He was outside, in the shade, and enjoyed our little parade around the small parking lot. It was great to see him, though it was a brief look.

Some of the group decided they would head home rather than a run north. It was hot, so we understood. However, the rest of us headed east from Curt's place and out into the country and then north. It was quite comfortable with a little breeze and because the humidity had dropped just a bit, it was good driving. The folks that left early would have enjoyed this little tour, I'm sure. Maybe next time.

We finally arrived in Roscoe, IL at Sophie's Restaurant for what was supposed to be an ice cream stop. Of course, they were set up to accommodate their customers in accordance with the latest rules regarding this Coronavirus issue, and our seating was OK. The big "HOWEVER" was that they had no ice cream. How can that be? So, most of us had some other treat, like cake or pie. It was about 3:00 PM, and a couple of folks had an early dinner.

Our bellies full and the (NO) Ice Cream tour complete, we called it a day and headed home. The cars all performed just fine and no one had any trouble. It was a fine short tour and we had a good time. It was very nice to see some of the club members and we all played safe.

Thanks Duane for arranging this little tour.

ON THE MEND and Folks we want to think the good thoughts for and keep in our prayers: As no one has been "reported," but perhaps this is a good time to remember club members, friends and family and give them a call and just keep communications open. It's a good time to give a prayer for our veterans and for that matter, this country.

PICTURES COMMITTEE - DATE..... WHO KNOWS???????

We will **eventually** clean out the storage shed and among that 'stuff' are some club pictures. We are asking for volunteers to help make some sense of these historical club memories. A small committee to help identify and sort these pictures so that they can be put on our web site is what this task is about. Yvonne Wilson has volunteered to help, as well as Dean Wanfalt, but we really need some other folks to lend a hand as well. Please call Steve Kindell or Wayne Orrison.

JOKES - RANDOM BITS - QUOTES, JOKES, ETC.

From Jim Martin:

- > Ole exclaimed, "I finished the puzzle in only 3 weeks!"
Lena asked, "Why are you so excited?"
"Ole replied, "It said 4 to 5 years on the box."
- > Lena asked, "Why did they take Lawrence Welk off the T-Wee?"
Ole said, "I think were was too much sax and violins."
- > Lena gave her lady friends some advice - "Never marry for money. You can borrow it cheaper."
- > Ole complained, "I have to take a pill a day for the rest of my life."
Lena replied, "That's not so bad Ole."
"But Lena, the doctor only gave me five pills."

Useless Information: "Nigglywiggly" is the actual name of the little paper flag sticking out of the tip of Hershey's kisses

English is a difficult language. It can be understood through tough thorough thought, though.

Q: Why is the longest human nose on record only 11 inches long?

A: Because otherwise it would be a foot.

The Jacuzzi family emigrated from Italy to California in the early 1900s. They worked in the agriculture sector, improving aviation devices and water pumps. They invented the submersible pump, which was the first of its kind in the world. When a family member developed arthritis, the brothers created a portable hydrotherapy pump, which was the first type of Jacuzzi.

Anybody who says their wedding or the birth of their child was the best day of their life has clearly never had 2 candy bars fall down at once from a vending machine.

Ole could see that Lena was getting tired of being quarantined with him. Trying to get her spirits up he went and got a world map and put it up on the wall. Ole handed Lena a dart and said "Lena, throw dis dart and wherever it lands I'll take you when we can travel again." Lena, very excited, took the dart, closed her eyes and threw it. "Ver are we going Ole, ver are we going," Lena asked. "Vel," said Ole, "it looks like we vill be vacationing behind da refrigerator."
