

THE. BEST. HYDRATION. FUEL YOUR WITHIN™

Feeling energy - or focus - comes from the inside.

Awakening Water, LLC advocates good hydration to help fuel your within to compete. Water by Awakening™ is tap water transformed into alkaline ionized drinking water enhanced with minerals and electrons. It is vended on the spot and chilled, with cutting edge technology which constantly monitors multiple quality parameters, including temperature and pH of each machine, every 5 seconds. When a machine is out of parameters, an automated alert is issued.

VENDING FEATURES

- 01 Reduced Environmental Footprint**
WASTE FREE (no one time use bottles) with quantity and price selection customizable by location.
- 02 Great Design**
Instructional video that describes how tap water is transformed, what's added, and the hydration benefits to the body.
- 03 Capacity Output for Repeat Vending**
Vending daily output of 900 gallons. Extra electrons and alkaline pH best if consumed within 3 days. Option of 32 ozs. (1 qt.) - on the go - consumption, or store larger vended quantities in the refrigerator to preserve its freshness.

NATURE give us
WATER, but **SCIENCE**
makes it better.™
