Dr. Thomas Shipley Sagittal First – The Ultimate Success Formula!

Sagittal First Philosophy is a new treatment philosophy that blends contemporary clinical principles with advanced digital solutions into a proven workflow, delivering exceptional, predictable results in fewer and shorter appointments with reduced treatment times. Join us to learn how Sagittal First can transform your practice, inspire your team, and delight your patients!

Objectives:

-How the protocol makes same day starts (SDS) practical, shortens treatment time, and increases patient convenience.

-Establishing a Class I platform prior to completing treatment with aligners or braces can increase case predictability and simplify finishing.

-Proven Workflow: A complete solution that greatly increases efficiencies and minimizes the need for extractions.

-How the protocol offers the patient time to choose aligners vs. braces, fewer in-person appointments, and increased engagement and compliance.

-The leading-edge SAGITTAL FIRST™ philosophy, providing greater efficiencies, shorter treatment times, long-term aesthetic results, and happier patients!

-Clinical evidence of the extraordinary results with Carriere® Motion 3D™ Appliances.

-New strategies and clinical solutions that enable you to make a total-health difference in the lives of your patients.

-Innovative concepts to help diagnose and establish treatment plans, and achieve remarkable results on time, every time.

Mrs. Michelle Shimmin

Creating a High Performance Team

Change the way you see your team, change the way your patients see you – Leadership, management, communication, goal-driven motivation, and team synergy are key factors that are imperative to a successful practice with a remarkable reputation!

We will focus on how to set up (and succeed!) at getting your patients vested and started in your practice today. Through this fun, inspiring event, we will help you know how to provide very clear expectations that deliver a high level of accountability and a team that ‘wants to’! Michelle will dive into the digital business model, implementing the virtual workflow into your practice while tapping into the full talent of every team member.

Objectives:

-You will learn the skills and effects of powerful leadership that deliver results from every team member.

-You will take away guidelines for setting up clarity and creating goal-driven employees that get excited about their role in the patient's experience and the practice's success.

-You will understand the newest and most efficient digital business models and virtual workflow with direct take-a-ways in how to implement it into your practice today.

Registration Fees:

\$0	VAOF Member (w/paid VAOF dues)
\$100	Orthodontic Resident
\$800	VAO/SAO/AAO Member
\$1500	Non-VAO/SAO/AAO Member
