Dear Friend of Temple Beth Shalom,

You have an exciting opportunity to help ensure Temple Beth Shalom (TBS) will remain vibrant and have the resources we need to support future generations. We are building a strong endowment by securing after-lifetime gifts as part of our **LIFE & LEGACY** initiative. We have a deep connection to TBS and to the Columbus Jewish Community; we've made it central to our homes and our families. As our families have grown, so has TBS.

Temple Beth Shalom, as a congregation, has blossomed over the past year! We are blessed with remarkable Rabbis and staff who go above and beyond to provide us with exceptional opportunities to connect both virtually and in-person. During this unprecedented time, our innovative programming, such as our Drive-in services, ensure a bright future for TBS.

LIFE & LEGACY is a community-wide endowment planning initiative. Sponsored by JewishColumbus, TBS — and a cohort of 17 other local Jewish organizations — work with the Columbus community to secure meaningful, after-lifetime gifts. Plant the seeds today to grow long-term support for the future of Temple Beth Shalom!

We look forward to helping you begin your legacy giving journey and sustain TBS for decades to come!

Sincerely,
The TBS **LIFE & LEGACY** Committee

We joined TBS in 1983? 1984? 1985? It's hard to remember exactly but somewhere around there.

Our favorite TBS moments were certainly our daughters' Bat Mitzvahs because they were highlights but we have many more wonderful memories. They're not all happy ones because life is like that but being part of TBS made the rough times easier.

We want our legacy to be that Temple Beth Shalom will be a strong and thriving congregation for years to come.

We made a legacy gift because a few years back we had the opportunity to help TBS purchase the Mishkan Tefilah prayer books. That experience made us realize that we could make a difference in many ways, including a legacy gift.

TBS is, without a doubt, a warm and welcoming place. Even when we can't all be together in the same place, we feel like we're part of larger, loving community.

We joined TBS in 2000, when we moved to Ohio

Our favorite TBS moments are being able to celebrate our children's b'nai mitzvot with our friends and family in this warm and spiritual place.

We want our legacy to be that we contributed to the growth and sustenance of our community, allowing others to enjoy the same acceptance and belonging that we did.

We made a legacy gift because it is vital that the Jewish community in New Albany and its surrounding area continue to flourish and grow for generations to come.

TBS is a dynamic, engaging and welcoming center for Jews to come together to share their experiences and meet their spiritual and social needs.
