NO SMOKING

Oak Hollow has been a no smoking facility for many years. However, with the recent increase in the popularity of electronic cigarettes, there may be some confusion about what is allowed.

The Oak Hollow security system does not differentiate between smoke from cigarettes and vapor from electronic cigarettes. The smoke detectors will set off the fire alarm .

So, please, we are asking for everyone's cooperation. No electronic cigarettes in the Clubhouse and **ONLY** in the designated smoking areas in front of the Clubhouse and near the pool.
