

Care Coordinator

Targeted Case Management and Behavioral Health Home

Looking to do meaningful work helping others in the community as a Care Coordinator? We want you on our team!

Pathways – one of the largest national providers of accessible, outcome-based behavioral and mental health services - is in search of a compassionate, caring, growth-minded Care Coordinator.

For your passion and dedication as a Care Coordinator, we offer paid training, career advancement opportunities, medical/dental/vision, PTO, paid holidays, and much, much more (read below)! We realize that your growth is paramount to our continued reputation of quality and service excellence, so we are ready to invest in YOU from day one!

Overview of Job Responsibilities:

The Care Coordinator provides Targeted Case Management (TCM) and Behavioral Health Home (BHH) services to both children and adults. The Care Coordinator provides access and the coordination of resources to address the identified client's needs. Care Coordinators ensure that they develop an individual care plan that is strengths- based, individualized, and effectively addresses the assessed behavioral, emotional and physical needs of the client and family. Care Coordinators collaborate with educational, vocational, medical, and behavioral health providers, as well as the member's natural supports, to integrate care across life domains. This position requires travel to and from client homes.

Pay Structure:

- Annual Salary \$53,000
- Earn an additional \$10(K) annually through incentive options!
- \$750 Sign on Bonus

Benefits:

- Full Time position with Benefits!
- Vacation, Holiday and Sick Time
- 401(K)
