- Compliance with this policy is a term and condition of continued employment with the Club. If employees have any questions with regard to this duty to report perceived violations, they may contact their Unit Director or Executive Director.

WHISTLEBLOWER POLICY

Our Code of Ethics and Conduct (“Code”) requires directors, officers, and employees to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the Organization, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

- **Reporting Responsibility:** It is the responsibility of all directors, officers, and employees to comply with the Code and to report violations in accordance with the Whistleblowers Policy.
- **No Retaliation:** No director, officer, or employee who in good faith reports a violation of the Code shall suffer harassment, retaliation, or adverse employment consequences. An employee who retaliates against someone who has reported a violation is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the Organization prior to seeking resolution outside the Organization.
- **Reporting Violations:** The code addresses the Organization’s open door policy and suggests that employees share their questions, concerns, suggestions, or complaints with someone who can address them properly. In most cases, an employee’s supervisor is in the best position to address an area of concern. However, if you are not comfortable speaking with your supervisor or you are not satisfied with your supervisor’s response, you are encouraged to speak with someone in the Human Resources Department or anyone in management whom you are comfortable approaching. Supervisors and managers are required to report suspected violations of the Code of Conduct to the Organization’s Compliance Officer, who has specific and exclusive responsibility to investigate all reported violations. For suspected fraud, or when you are not satisfied or comfortable with following the Organization’s open door policy, individuals should contact the Organization’s Compliance Officer directly.
- **Compliance Officer:** The Organization’s Compliance Officer is responsible for investigating and resolving all reported complaints and allegations concerning violations of the Code and, at his/her discretion, shall advise the Executive Director and/or the audit committee. The Compliance Officer has direct access to the audit committee of the Board of Directors and is required to report to the audit committee at least annually on compliance activity. The Organization’s Compliance Officer is the chair of the audit committee.
- **Accounting and Auditing Matters:** The audit committee of the Board of Directors shall address all reported concerns or complaints regarding corporate accounting practices, internal controls, or auditing. The Compliance Officer shall immediately notify the audit committee of any such complaint and work with the committee until the matter is resolved.
- **Acting in Good Faith:** Anyone filing a complaint concerning a violation or suspected violation of the Code must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the Code. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.
- **Confidentiality:** Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.
- **Handling of Reported Violations:** The Compliance Officer will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

EMPLOYMENT POLICY

The first 90 days of employment for new employees of the Club is considered an introductory or probationary period. The probationary period provides a new employee the opportunity to become familiar and acquainted with the Club. During this time, a new employee's work hours, skills, and general work performance will be evaluated. During the time employment may be terminated by either party with or without cause, without negatively impacting employment record. New employees will be evaluated at or near the end of the probationary period. An evaluation will be made of a new employee at or near the end of the probationary period. Neither the designation nor the successful completion of the introductory period constitutes an employment contract for any period of time (including the probationary period) or a guarantee of continued employment. Employment with the Club is at-will.

Categories of Employment

- Salaried Full-time: An employee whose regular work schedule averages 40 hours per calendar week or more in a calendar year. Salaried employees are not compensated on an hourly basis.
- Full-time: An employee whose regular work schedule averages 35 hours or more per week in a calendar year and who is not on probationary status.
- Part-time: An employee whose regular work schedule averages less than 35 hours per week in a calendar week during a calendar year.
- Temporary: An employee hired to work on a specific basis, including during peak or seasonal periods, for specific projects, or for a limited period of time. Temporary employees may work either full-time or part-time, but they are not considered "regular" employees.

Status of Employment

Employees are categorized as either exempt or non-exempt for purposes of the minimum wage and overtime provisions of the Fair Labor Standards Act.

- Non-Exempt employees are compensated based on the number of hours worked each workweek.
- Exempt employees (e.g. certain administrative, professional, and executive personnel whose positions meet the Fair Labor Standards Act definitions and criteria for exempt status) are exempt from the minimum wage and overtime provisions of the Fair Labor Standards Act and are paid on a salary basis.

BACKGROUND CHECK POLICY

All applicants must provide a picture ID, social security number, telephone number, address, training history, employment history, education, references, and agree to have a background check completed annually. The aforementioned will become a part of the applicant's personnel file. Personal information is checked against national and state criminal databases, and is also checked against the national sex offender databases. All current staff members have on file copies of Comply with Official Code of Georgia Annotated (O.C.G.A.) 49-5-110 et. seq. that requires a criminal background check to ensure that potential employees have not been convicted of crimes that would invalidate their acceptability for employment. Anyone seeking employment is given a copy of their job description where this requirement is clearly stated. No person is hired to work directly with children prior to completing this process. When results are known from background checks, a review of the information obtained gives us insight about arrests during the last seven years, and any convictions (no matter when it occurred). Employee backgrounds are performed annually. Any information, regarding a conviction will not necessarily constitute termination, but will be reviewed in light of surrounding circumstances, including seriousness and nature of the violation, rehabilitation, and relationship to employment and federal statutory requirements. See policy and procedure manual regarding questionable results.

OVERTIME POLICY

Occasionally, employees may be asked to work overtime. The failure to work overtime when requested may lead to discipline, up to and including termination of employment.

- Overtime pay depends on an employee's status as Exempt or Non-Exempt as follows:
- Non-Exempt: If an employee whose position is classified as non-exempt, works more than 40 hours in one work week, the employee will receive overtime compensation at the rate of one and one-half times the hourly rate. Employees are not permitted to work overtime unless such overtime is specifically approved in advance by their supervisor. All overtime, however, must be accurately reported as worked, whether or not it was required or approved, and it will be paid accordingly. In addition, employees may not take off to compensate for extra hours worked to offset payment of overtime unless such arrangements are specifically approved in advance by their supervisor. Repeated or continued working of unapproved overtime and/or failure to report actual hours worked may result in disciplinary action.
- Exempt: Exempt employees do not receive overtime compensation.

PERSONNEL RECORDS POLICY

It is very important for employees to keep their personnel records up to date. All personnel records are the property of the Club and may not be released without written consent from the employee.

The Club directs employees to notify the Unit Director immediately if there is a change in status, including but not limited to the following:

- Name and social security number
- Home address
- Home telephone number
- Emergency contact and telephone number
- Background check and consent
- Payroll deductions consent
- W-4
- G-4
- I-9
- Employment application
- Driver's license status

- Periodic employee reviews

PERFORMANCE REVIEW POLICY

Supervisors, in addition to routinely observing employee effectiveness, periodically conduct performance reviews to evaluate an employee's work. Performance reviews can provide employees with an opportunity to talk about their job, their performance on the job, and their job goals, as well as to discuss any suggestions, questions, or complaints.

- Employees will be reviewed near the completion of the introductory period and on a semi-annual basis thereafter.
- Performance reviews are an evaluation and planning tool for both supervisors and employees and do not necessarily result in pay increases.
- Your performance review is designed to provide a basis for better understanding between you and your supervisor, with respect to your job performance, potential, and development within the organization. Annual salary adjustments will be determined by the outcome of the employee's performance reviews.

JOB POSTINGS POLICY

Career advancement is rewarding for both the employee and the organization. Whenever appropriate, qualified employees are encouraged to apply for promotions to new or vacant positions. Job openings will be posted on the Boys & Girls Clubs of the CSRA website or will be announced internally. Employees who have completed their introductory period who are interested in a particular opening should submit the appropriate, timely application materials in the manner appropriate for the post.

PAY CYCLE AND PAYROLL DEDUCTIONS POLICY

The work week begins on Sunday and ends on Saturday. Friday is payday. Any changes due to holidays or other events which may interfere with this schedule will be announced in advance. The Club is required by law to make mandatory deductions from earnings. Amounts withheld may vary according to how much is earned, marital status, government employment regulations, and other factors. Mandatory withholdings include federal income tax and social security as well as any other taxes or deductions required to be withheld by state and/or federal law. In addition to mandatory payroll deductions, the Club is required by law to comply with certain court orders, liens, or wage assignments and to make payroll deductions pursuant to those orders. Additional withholdings will be withheld only with written consent of the employee.

You should make arrangements with your supervisor as soon as you receive your summons. EMPLOYEE ABSENCE POLICY

Employee work hours are provided at the time of employment. Attendance and punctuality are important factors for your success within the organization.

NOTICE OF ABSENCE

All employees are required to provide notice of absence for illness, tardiness, or other reasons to their supervisors unless the absence is due to prescheduled leave, such as vacation leave. If an employee will be absent, the employee is required to contact his/her supervisor on a daily basis, no less than 2 hours prior to scheduled work time. Employees are responsible for ensuring proper notice is provided. Only under exceptional circumstance will notice from a family member or friend satisfy the notice requirement. If an employee fails to provide proper notice of absence for 3 consecutive work days, it will be presumed the employee has voluntarily abandoned his or her job.

UNEXCUSED ABSENCE POLICY

Failure to provide notice of absence as described above will result in an unexcused absence regardless of the reason. Unexcused absences or any other violation of the Absences Policy could result in disciplinary action, up to and including dismissal/termination of employment. If an employee fails to provide proper notice of absence for 3 consecutive work days, it will be presumed the employee has voluntarily abandoned his or her job.

HANDS-OFF POLICY

“Hands-Off” means that no staff member may touch a student or use abusive language as a means of coercion. BGCA staff is expected to lead through positive methods that do not include the use of physical force or verbal abuse. Use of such tactics must be considered a leadership failure. “Hands-Off” leadership also prohibits staff members from using unprofessional language, including profanity, vulgarity or off-color jokes when interacting with, correcting, or motivating students. This includes joking and horseplay that is easily carried too far. The uncompromising standard for behavior and language on the part of the staff is nothing less than complete transparency and total professionalism.

- Students or staff shall not be subject to disciplinary action or any other form of retaliation for reporting an alleged violation.
- Any student or staff experiencing or witnessing any violation of this directive is to immediately report it to their superior or the next member in the chain of command.

OPEN DOOR POLICY

The Club wants to assure its employees that ideas, suggestions, and complaints will be heard. It is management’s policy to attempt to resolve disputes which may arise between fellow employees or between employees and their supervisors. Open communication between employees and immediate supervisors is encouraged. Employees should feel free to voice ideas, suggestions, or complaints without fear of reprisal or retribution. If an employee wishes to remain completely anonymous, he or she can write the idea, suggestion, or complaint down on paper and drop it to the Administrative Office. Otherwise, if employees have ideas, suggestions, or complaints to share, they are directed to follow these simple steps, unless it is a matter more appropriately raised pursuant to the steps set forth in the Club’s policy against harassment:

- STEP 1:** Employees are directed to discuss complaints with their immediate supervisor within 24 hours of the matter causing the complaint. Employees should provide detail and offer possible solutions. Most of the matters can be resolved at Step 1.
- STEP 2:** If the employee is not satisfied with the results of a discussion with his/her immediate supervisor, the employee is directed to take the matter to the next highest supervisor (in other words, their immediate supervisor’s supervisor) within 3 working days after meeting with the immediate supervisor.
- STEP 3:** If the employee believes the matter remains unresolved, he/she is directed to present the matter in writing to the Executive Director within 3 days. The Executive Director shall review all matters brought to their attention and will provide a statement of action in writing to the employee.
- STEP 4:** If the employee feels the matter remains unresolved, he/she is directed to submit the matter in writing to the Personnel Committee within 3 working days. The Personnel Committee shall consider all matters brought to their attention pursuant to this procedure and all decisions made by the Personnel Committee are to be final.

MANDATED REPORTER POLICY

All Club employees, as mandated reporters are required by Georgia law to report all suspected cases of child abuse. Child abuse is any act, omission, or commission that endangers or impairs a child’s physical or emotional health and development. The act of inflicting injury or allowing injury to result, rather than the degree of injury, is the determinant for intervention. Club staff follow specific procedures including clarifying with student, notifying the supervisor, and notifying the authorities. All staff members in direct contact with children are required to take the online course, “Mandated Reporters”, within the first two weeks of employment. A copy of the completion certificate will be kept in their personnel files.

INSPECTION, THEFT, AND AUDIT POLICY

In order to ensure its ability to conduct business efficiently and effectively and to protect itself against the unauthorized use and removal of Club property, the Club will from time to time conduct internal investigations including inspections and audits on company premises. The Club reserves the right to conduct a routine inspection or audit at any time for company property or company-related information. The Club reserves the right to inspect the following, including but not limited to: personal property brought onto or taken from the premises, any work, rest, or storage areas, all company vehicles, desks, lockers, computers, etc., that are within the employee's possession or control. A routine inspection may result in the discovery of personal possessions or those of others. Employees are discouraged from bringing in the workplace items of personal property they do not want revealed to management. Under certain circumstances, the Club will generally attempt to obtain employee consent before conducting a search or inspection, but may not always be able to do so. If an employee becomes aware of any theft, misuse, or unauthorized removal of Club property, he/she is directed to notify the supervisor immediately. The theft, misuse, or unauthorized removal of Club property is cause for immediate discipline, including dismissal/termination of employment. At the Club's discretion, other legal actions may also be taken against the employee for theft, misuse, and or unauthorized removal of Club property.

STANDARDS OF CONDUCT POLICY

DISCIPLINARY POLICY

The Club has established policies and procedures for the convenience and protection of all its employees. DRESS CODE POLICY

Employees are expected to maintain the highest standards of personal cleanliness and present a neat, professional appearance at all times. The image this organization projects must demonstrate that it is the most professional, productive, thorough, and reliable provider of service in the youth development area. Appearance is a major element of this Club 's image. The Club 's employees represent role models for the youth we serve. To this end, it is the policy of the Club that an employee's dress and grooming should be, in the Club's opinion, appropriate to the employee's work situation and responsibilities.

- Hair, as well as facial hair, should be clean, combed, and well maintained in a business-like style.
- Employees are expected to dress in a manner that is not only conducive to the image we reflect to our members, board, donors, and the general public, but also appropriate to the safe performance of job requirements.

- The Club reserves the right in all situations to decide whether any employee is in violation of this dress code policy.

TRANSGENDER EMPLOYMENT POLICY

The Boys & Girls Club of the CSRA does not discriminate in any way on the basis of sex, sexual orientation, gender identity, or gender expression. This policy is designed to create a safe and productive workplace environment for all employees. This policy sets forth guidelines to address the needs of transgender and gender non-conforming employees and clarifies how the law should be implemented in situations where questions may arise about how to protect the legal rights or safety of such employees. This policy does not anticipate every situation that might occur with respect to transgender or gender non-conforming employees, and the needs of each transgender or gender non-conforming employee must be assessed on a case-by-case basis. In all cases, the goal is to ensure the safety, comfort, and healthy development of transgender or gender non-conforming employees while maximizing the employee's workplace integration and minimizing stigmatization of the employee.

Definitions:

- **Gender Identity:** A person's internal, deeply felt sense of being male, female, or something other or in-between, regardless of the sex they were assigned at birth. Everyone has a gender identity.
- **Gender Expression:** An individual's characteristics and behaviors (such as appearance, dress, mannerisms, speech patterns, and social interactions) that may be perceived as masculine or feminine.
- **Transgender:** An umbrella term that can be used to describe people whose gender identity and/or expression is different from their sex assigned at birth. A person whose sex assigned at birth was female but who identifies as male is a transgender man (also known as female-to-male transgender person, or FTM). A person whose sex assigned at birth was male but who identifies as female is a transgender woman (also known as male-to-female transgender person, or MTF). Some people described by this definition don't consider themselves transgender- they may use other words, or may identify simply as a man or woman. A person does not need to identify as transgender in order for an employer's nondiscrimination policies to apply to them.
- **Gender Non-Conforming:** This term describes people who have, or are perceived to have, gender characteristics and/or behaviors that do not conform to traditional or societal expectations. Keep in mind that these expectations can vary across cultures and have changed over time.
- **Transition:** The process of changing one's gender from the sex assigned at birth to one's gender identity. There are many different ways to transition. For some people, it is a complex process that takes place over a long period of time, while for others it is a one or two step process that happens more quickly. Transition may include "coming out" (telling family, friends, and coworkers); changing the name and/or sex on legal documents; and, for many transgender people, accessing medical treatment such as hormones and surgery.
- **Sexual Orientation:** A person's physical or emotional attraction to people of the same and/or other gender. Straight, gay, and bisexual are some ways to describe sexual orientation. It is important to note that sexual orientation is distinct from gender identity and expression. Transgender people can be gay, lesbian, bisexual, or straight, just like non-transgender people.
- **LGBT:** A common abbreviation that refers to the lesbian, gay, bisexual, and transgender community.
- **Everyone has a:** Sex Assigned at Birth, Gender Identity, Gender Expression, and Sexual Orientation

**The definitions provided here are not intended to label employees but rather to assist in understanding this policy and the legal obligations of employers. Employees may or may not use these terms to describe themselves.*

TRANSGENDER POLICY (CONTINUED)

Boys & Girls Club Workplace Specific Policies

Transgender employees have the right to discuss their gender identity or expression openly, or to keep that information private. The transgender employee gets to decide when, with whom, and how much to share their private information. Information about an employee's transgender status (such as the sex they were assigned at birth) can constitute confidential medical information under privacy laws like HIPAA. Management, human resources staff, or coworkers should not disclose information that may reveal an employee's transgender status or gender non-conforming presentation to others. That kind of personal or confidential information may only be shared with the transgender employee's consent and with coworkers who truly need to know to do their jobs.

Official Records: The Boys & Girls Club of the CSRA will change an employee's official record to reflect a change in name or gender upon request from the employee. Certain types of records, like those relating to payroll and retirement accounts, may require a legal name change before the person's name can be changed. Most records, however, can be changed to reflect a person's preferred name without proof of a legal name change.

A transgender employee has the right to be addressed by the name and pronoun corresponding to the employee's gender identity. Official records will also be changed to reflect the employee's new name and gender upon the employee's request.

As quickly as possible, we will make every effort to update any photographs at the transitioning employee's workplace so the transitioning employee's gender identity and expression are represented accurately. If a new or transitioning employee has questions about company records or ID documents, the employee should contact Lynda Dukes. Human Resources Generalist.

Names/Pronouns: An employee has the right to be addressed by the name and pronoun that correspond to the employee's gender identity, upon request. A court ordered name or gender change is not required. The intentional or persistent refusal to respect an employee's gender identity (for example, intentionally referring to the employee by a name or pronoun that does not correspond to the employee's gender identity) can constitute harassment and is a violation of this policy. If you are unsure what pronoun a transitioning coworker might prefer, you can politely ask your coworker how they would like to be addressed.

Transitioning on the Job: Employees who transition on the job can expect the support of management and human resources staff. HR will work with each transitioning employee individually to ensure a successful workplace transition.

Sex-Segregated Job Assignment: For sex-segregated jobs, transgender employees will be classified and assigned in a manner consistent with their gender identity, not their sex assigned at birth.

Restroom Accessibility: Employees shall have access to the restroom corresponding to their gender identity. Any employee who has a need or desire for increased privacy, regardless of the underlying reason, will be provided access to a single-stall restroom, when available. No employee, however, shall be required to use such a restroom. All employees have a right to safe and appropriate restroom facilities, including the right to use a restroom that corresponds to the employee's gender identity, regardless of the employee's sex assigned at birth. That is, transgender women must be permitted to use the women's restroom, and transgender men must be permitted to use the men's restroom. That decision should be left to the transgender employee to determine the most appropriate and safest option for them. Some employees- transgender or non-transgender - may desire additional privacy. Where possible, an employer will make available a unisex single-stall restroom that can be used by any employee who has a need for increased privacy, regardless of the underlying reason. For example, if any employee does not want to share a multi-person restroom with a transgender coworker, they can make use of this kind of option, if available.

TRANSGENDER POLICY (CONTINUED)

Dress Codes: The Boys & Girls Club of the CSRA does not have dress codes that restrict employees' clothing or appearance on the basis of gender. Transgender and gender non-conforming employees have the right to comply with company dress codes in a manner consistent with their gender identity or gender expression.

Discrimination/Harassment: It is unlawful and violates company policy to discriminate in any way (including, but not limited to, failure to hire, failure to promote, or unlawful termination) against an employee because of the employee's actual or perceived gender identity. Additionally, it also is unlawful and contrary to this policy to retaliate against any person objecting to, or supporting enforcement of legal protections against, gender identity discrimination in employment.

The Boys & Girls Club of the CSRA is committed to creating a safe work environment for transgender and gender non-conforming employees. Any incident of discrimination, harassment, or violence based on gender identity or expression will be given immediate and effective attention, including, but not limited to, investigating the incident, taking suitable corrective action, and providing employees and staff with appropriate resources. The Boys and Girls Club management and staff will respect transgender employees. The transgender and all other staff will respect and abide by the mission of the Boys & Girl s Club. All Employees will respect the rights of our children, parents and any stake holder in the organization. All employees' primary function is to uphold our mission and to contribute positively in their actions, demeanor, and personal presentation to the mission and objectives of the organization. All employees have an obligation to have a reciprocal understanding of the feelings of other employees and stakeholders.

Sexual Harassment: It is unlawful to harass a person (an applicant or employee) because of that person's sex. Harassment can include "sexual harassment" or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature. Harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person's sex. For example, it is illegal to harass a woman by making offensive comments about women in general.

Both victim and the harasser can be either a woman or a man, and the victim and harasser can be the same sex. Although the law doesn't prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted). The harasser can be the victim's supervisor, a supervisor in another area, a co worker, or someone who is not an employee of the employer, such as a client or customer.

USE OF CELL PHONES POLICY

This policy outlines the use of personal cell phones at Boys & Girls Club of the CSRA, the personal use of personal cell phones and the policy regarding the safe use of cell phones by employees.

Personal Cellular Phones: While at work, employees of the Boys & Girls Club are expected to follow the BGC policy in using personal cellular phones. Employees working directly with students should not be using their cell phone while on duty. Personal calls during the work hours, regardless of the phone used can interfere with employee productivity, safety and may be distracting to others. Employees are encouraged to make personal calls during breaks and lunch and to ensure that friends and family members are aware of the Club's policy. The Boys & Girls Club will not be liable for the loss of personal cellular phones brought into the workplace. Cellular telephones may not be used to defame, harass, intimidate, or threaten any other person. Employees are prohibited from using their cell phones in any illegal, illicit or offensive manner.

Cellular Phone Use while Operating a Vehicle: Employees whose job responsibilities include driving should refrain from using their phone/communication device while driving a Boys & Girls Club vehicle or while driving any other vehicle (rented, leased, borrowed, or their own vehicle) while conducting business. Drivers shall comply with all federal, state, and local laws and regulations regarding the use of mobile technology devices including cell phones. Incoming or outgoing cellular phone calls are not allowed while driving. Sending or reading text messages, emails, dialing cellular phones, viewing television, videos, or DVD1s and inputting data into laptop computers. The cellular phone voicemail feature should be on to store incoming calls while driving and all message retrievals and calls should be made after the vehicle is safely parked. If acceptance of a call is unavoidable and pulling over is not an option, employees are expected to keep the call short, use hands-free options if available, refrain from complicated or emotional discussions and keep their eyes on the road. Special care should be taken in situations where there is traffic, inclement weather, or the employee is driving in an unfamiliar area.

TECHNOLOGY USAGE POLICY

The Boys & Girls Clubs provides access to technology through the use of computers in our programs. The primary purpose of our technology program is to prepare youth for the world of work and to provide educational opportunities. The BGC takes every step necessary to ensure internet safety precautions are taken. Students are only allowed to go on appropriate websites and are monitored by staff. File sharing of copyright music or any other document is illegal and members will not be permitted to use the system for such activity.

PROFESSIONAL DEVELOPMENT POLICY

Professional Learning Plan: It is imperative that employees be knowledgeable and adequately trained in the National Programs which are required to conduct. The success of our programs and development of our members is also contingent on the ability of our professionals to supervise and provide guidance to our members. Each year, at the discretion of the Executive Director, selected employees are required to successfully complete certifications in first aid and CPR. The amount an employee can defer into their account is limited by Federal Tax Law. The Club will match 100% employee contributions up to 3% of the employee's gross annual income. SEVERE THUNDERSTORMS AND TORNADOES

Unlike hurricanes where there is usually advanced notice, severe thunderstorms and tornadoes can develop suddenly and without warning. Thunderstorms and tornadoes occur frequently in Georgia. The following definitions will be used:

Thunderstorm: A thunderstorm may consist of thunder, lightning, high winds, rain, and hail. A severe thunderstorm may be a precursor to a tornado.

- Watch—a severe thunderstorm may develop in local area. Take appropriate precautions.
- Warning—a severe thunderstorm has developed in local area. Take appropriate action as indicated for the safety of all who may be affected.

Tornado: A tornado is a local storm with whirling winds of tremendous speeds that can exceed 100 miles per hour. These storms are generally small and short-lived, but they are the most violent of all atmospheric phenomena.

- Watch—weather conditions are such that a tornado may develop. Monitor weather radio and other media for updates.
- Warning—a formed tornado has been sighted and may affect the given areas. Protective measures must be implemented immediately.

SIGNALS-

Watch - “Faculty and staff we are under a tornado (severe thunderstorm) watch. Please be alert to the possibility of worsening conditions.”

Warning - Will be undulating and extended sounding of the class change buzzer.

- Avoid open fields and high places in areas where there is no shelter.

 - If possible, drive away from the tornado's path, evacuate the bus, and seek protection.
 - Take shelter in a designated building or strong structure on the bus's route.
 - If no safe buildings are available, evacuate the bus and direct students to a ditch or hollow. Have them lie face down with their hands over their heads. Avoid utility poles and overhead wires. Keep students away from the bus so that it cannot be turned over on them.

- Staff will check attendance and report to the office the names of missing students.
