

The Joint CWEA and CSAWWA Water Reuse Committee presents the

2022 Water Reuse Seminar: State of Reuse in the Chesapeake Bay Region

Join colleagues, subject matter experts, and industry leaders as CWEA and CSAWWA host the 2022 Water Reuse Seminar. As drivers for reuse adoption appear in the Chesapeake Bay region, more projects are underway.

Enjoy presentations on the latest **regional water reuse projects, planning, regulations, and other relevant issues in water reuse**. Come learn, discuss, and share what others are doing to study and capitalize on the proven and emerging opportunities and advantages of Water Reuse.

The seminar will kick-off at 8:30 a.m. with a short introduction by the Committee Chairs. The morning session will include a 30-minute break for interaction with the vendors. Lunch is scheduled from 12:00 to 1:00 p.m.

An optional facility site tour nearby is planned for 4:00 – 5:00 p.m., pending facility owner approval. Details will be published when available.

4.0 PDH credits, 4.0 contact hours (pending approval)
